moral meaning because the Morning star was not in this case the usher of the day but the chieftain of night the Prince of Darkness the mortal enemy of the Lord of Light I returned to bed knowing that the battle in heaven would soon begin I rose when the sun was high next morning All the world was bright shining and active gladsome and fresh from the rays of the sun the kingdom of light was established but the Prince of Darkness and all his confederates had vanished cast down from the sky and to the endless eternity of God their places will know them no more in that night again They are lost beyond hope or redemption beyond penance or prayer I have in mind at this moment two Indian stories of the Morning star one Modoc the other Delaware The Modoc story is very long and contains much valuable matter but the group of incidents that I wish to refer to here are the daily adventures and exploits of a personage who seems to be no other than the sun with the sun in it This personage is destroyed every evening He always gets into trouble and is burned up but in his back is a golden disk which neither fire nor anything in the world can destroy From this disk his body is reconstituted every morning and all that is needed for the resurrection is the summons of the Morning star who calls out It is time to rise old man you have slept long enough Then the old man springs new again from his ashes through virtue of the immortal disk and the compelling word of the star Now the Morning star is the attendant spirit or medicine of the personage with the disk and cannot escape the performance of his office he has to work at it forever So the old man cannot fail to rise every morning As the golden disk is no other than the sun the Morning star of the Modocs is the same character as the Lucifer of the Latins *Myths and Folk-tales of the Russians, Western Slavs, and the Magyars* Jeremiah Curtin, 1890

Tales of the Slav Peasants and Herdsmen Aleksander Chodźko,1896 Fairy Tales of Slav Peasants and Herdsmen Aleksander Chod_ko,2017-07-11 Fairy Tales of the Slav Peasants and Herdsmen was written in the year 1896 by Aleksander Chodzko This book is one of his most popular novels and has been translated into several other languages around the world THE ABODE OF THE GODS excerpt Once upon a time there were two brothers whose father had left them but a small fortune The eldest grew very rich but at the same time cruel and wicked whereas there was nowhere a more honest or kinder man than the younger But he remained poor and had many children so that at times they could scarcely get bread to eat At last one day there was not even this in the house so he went to his rich brother and asked him for a loaf of bread Waste of time His rich brother only called him beggar and vagabond and slammed the door in his face The poor fellow after this brutal reception did not know which way to turn Hungry scantily clad shivering with cold his legs could scarcely carry him along
