## **Slavery To Servanthood Leaders Guide:**

Slavery to Servanthood John R. Meuther, 1988

**The Palgrave Handbook of Servant Leadership** Gary E.

Roberts, 2023-04-11 This reference work offers comprehensive perspectives on servant leadership. Featuring a cadre of leading world class scholars, practitioners and contributing authors from diverse fields of inquiry, it aims to collate research on servant leadership with a particular focus on its moral and spiritual dimensions. It is divided into sections that center on topics such as character, philosophical influences, diversity and inclusion, critiques of servant leadership, as well as examples of servant leaders. Though first introduced in the 1970 by Robert Greenleaf, the field of servant leadership is still lacking consensus on a definition and a theoretical framework. The goal of this reference work is to begin to fill this gap by assembling the scholarship of the top scholars in this field and providing a go-to source for information on the theory and practice of servant leadership. This handbook will serve as an essential resource for researchers, scholars and students of organizational behavior, human resource management and business ethics, as well as consultants and business leaders interested in discovering the best leadership models to suit contemporary organizations.
