[The Slayer of Souls](#) Robert William Chambers, 2020-09-28 Only when the Nan yang Maru sailed from Yuen San did her terrible sense of foreboding begin to subside For four years waking or sleeping the awful subconsciousness of supreme evil had never left her But now as the Korean shore receding into darkness grew dimmer and dimmer fear subsided and grew vague as the half forgotten memory of horror in a dream She stood near the steamer's stern apart from other passengers a slender lonely figure in her silver fox furs her ulster and smart little hat watching the lights of Yuen San grow paler and smaller along the horizon until they looked like a level row of stars Under her haunted eyes Asia was slowly dissolving to a streak of vapour in

the misty lustre of the moon Suddenly the ancient continent disappeared washed out by a wave against the sky and with it vanished the last shreds of that accursed nightmare which had possessed her for four endless years But whether during those unreal years her soul had only been held in bondage or whether as she had been taught it had been irrevocably destroyed she still remained uncertain knowing nothing about the death of souls or how it was accomplished As she stood there her sad eyes fixed on the misty East a passenger passing an Englishwoman paused to say something kind to the young American and added if there is anything my husband and I can do it would give us much pleasure The girl had turned her head as though not comprehending The other woman hesitated

Robert W. Chambers: Master of The King in Yellow Shawn M. Tomlinson,2015-11-08 It has taken me 37 years to write this biography of author Robert W Chambers Along the way I wrote and published many articles about him but did not complete the biography until 2014 I got the idea of writing it when I was 15 and the reason I got the idea is the same reason it has taken so long to write the book There simply is not that much information about Chambers out there Despite his fame and thorough integration in New York high society very little was written about him during his lifetime This volume contains the Expanded Edition of the biography Robert W Chambers Maker of Moons as well as the collection of articles originally titled Robert W Chambers In Search of the Unknown Author of The King in Yellow

Tomlinson,2018-11-12 I have collected many many pulps over the years but at the back of my mind I always hoped to edit one My first job as editor of two trade newspapers deluded me I created a presentation and went to the publisher He listened but he never spoke about it I worked at many newspapers and magazines but no one was interested I founded a few magazines The Antediluvian Levee The Game s Afoot Different Deaths Ride of the Horsemen etc I then tried to start the kind of magazine you hold It didn t work then though I just didn t have time to do it Finally in late 2018 I started working on it pulling writers and artists together doing some preliminary designs etc The first few issues came together so fast that I pressed on I didn t hesitate but got the first issue into print as soon as possible This book is a collection of nearly everything that appeared in the four issues of Phenomenal
