Shadows Never Sleep 2 Ta Villeneu, For generations humanity has lived in fear of the things that haunt the drains below No one dares to linger outside when the shadows stir for those taken by the darkness are never seen again But when her little brother vanishes into the depths one girl refuses to accept the silence Breaking every rule she s ever known she

steps beyond the safety of her world and ventures into the night determined to bring him back What she finds however is not only the monsters that prowl the drains but the far darker truths buried within her world and within herself As she descends further she discovers allies and enemies among the lost uncovers secrets about her family that were meant to stay hidden and learns that the shadows are not mindless they are watching waiting never sleeping Shadows Never Sleep is a tense atmospheric journey of courage betrayal and revelation where survival depends on facing the darkness that exists both outside and within

The Sleeping City E.C. Tubb, 2011-09-29 From the opening reared a head wide flat huge Below it stretched a body beautiful with iridescent scales of gold edged with ruby Nictitating membranes lifted over enormous eyes deep limpid pools of ancient wisdom catching and reflecting the light of the miniature sun turning the glowing orb into a scatter of stars shimmering in an ebon sea From open jaws a forked tongue flickered with a soft susurrations Its scent was dry acrid tinged with that of living fur on a summer's day The head rose higher swaying over the three men on the ledge the sinuous length of the body almost filling the passage through which it had come From it radiated an impression of incredible age A serpent whispered Thagamista A creature from the beginning of time Somehow surviving to find this place and feast on those who well here It was inevitable they should think it a god THE SLEEPING CITY continues the dynamic saga of the Chronicles of Malkar E C Tubb's newest fantasy hero
