The Arts And Crafts Of Ancient Egypt:

The Arts and Crafts of Ancient Egypt William Matthew Flinders Petrie, 2013-09-05 This 1909 handbook samples Egyptian art from the prehistoric period to the Roman era featuring 140 illustrations [The Arts & Crafts of Ancient Egypt](#) W. M. Flinders Petrie, 1998-03-01 The great artifacts of Ancient Egypt owe much to the fertile banks of the Nile the harsh African sunlight The cool windowless interiors of the great buildings of the Valley of the Kings of Gizeh Abu Simbel provided broad surfaces to be inscribed with the hieroglyphics illustrations that we recognize as Egyptian art The religions of the river valley the lives of the pharaohs furnished artists craftsmen with ample themes This richly illustrated book first published in 1909 traces the artistic practices of the great dynasties through the statuary paintings reliefs pottery jewelry that have endured to the present day [The Arts Crafts of Ancient Egypt](#) W. M. Flinders Petrie, 2015-06-12 Excerpt from The Arts Crafts of Ancient Egypt This present handbook is intended to aid in the understanding of Egyptian art and the illustrations and descriptions are selected for that purpose only The history of the art would require a far greater range of examples in order to illustrate the growth and decay of each of the great periods whereas here only the most striking works of each period are shown in order to contrast the different civilisations The origins and connections of the art in each age are scarcely touched and the technical details are only such as are needed to see the conditions of the art The archaeology of the subject would need as wide a treatment as the history and these subjects can only appear here incidentally It should be noticed that the divisions of artistic periods are often not the same as those of political history About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
