The Astral Senses:

The Astral Senses Swami Panchadasi, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work *Clairvoyance and Occult Powers* Swami Panchadasi, William Walker Atkinson, 2016-03-24

LESSON I 15 THE ASTRAL SENSE The skeptical person who believes only the evidence of his senses The man who has much to say about horse sense Common Sense versus Uncommon Senses The ordinary five senses are not the only senses The ordinary senses are not as infallible as many think them Illusions of the five physical senses What is back of the organs of physical sense All senses an evolution of the sense of feeling How the mind receives the report of the senses The Real Knower behind the senses What the unfolding of new senses means to man The super physical senses The Astral Senses Man has seven physical senses instead of merely five Each physical sense has its astral sense counterpart What the astral senses are Sensing on the astral plane How the mind functions on the astral plane by means of the astral senses The unfolding of the Astral Senses opens up a new world of experience to man

LESSON II 25 TELEPATHY vs CLAIRVOYANCE The two extra physical senses of man The extra sense of the presence of other living things The telepathic sense How man may sense the presence of other living things apart from the operation of his ordinary five physical senses This power is strongly developed in savages and barbarians but has become atrophied in most civilized men by continued disuse It is now vestigial in civilized man but may be developed by practice Animals have this extra sense highly developed and it plays a very important part in their protection from enemies their capture of prey etc The strange actions of dogs horses etc explained How the geese saved Rome by reason of this sense All hunters have experienced evidences of the existence of this sense on the part of animals The physical telepathic sense How it operates Interesting instances of its possession by animals and savage tribes Women possess it strongly The distinction between this form of thought transference and clairvoyance

LESSON III 34 TELEPATHY EXPLAINED What telepathy means The mental process by which one knows at a distance The sending and receiving of waves and currents of thought and feeling Thought vibrations and how they are caused The part played by the cerebrum cerebellum and medulla oblongata the three brains of man The part played by the solar plexus and other great nervous centres How thought messages are received How states of emotional excitement are transmitted to others The Pineal Gland what it is and what it does The important part it plays in telepathy and thought transference Mental atmospheres Psychic atmospheres of audiences towns houses stores etc Why you are not affected by all thought vibrations in equal measure and strength How thought vibrations are neutralized Affinities and repulsions between different thought vibrations Interesting facts concerning telepathy Scientific explanations of telepathy

LESSON IV 34 SCIENTIFIC TELEPATHY The important investigations of the Society for Psychical Research True telepathy

and pseudo telepathy how they are distinguished by scientists Strict tests imposed in investigations The celebrated Creery Experiments and how they were conducted The elaboration of the guessing game Seventeen cards chosen right in straight succession Precautions against fraud or collusion Two hundred and ten successes out of a possible three hundred and eighty two Science pronounces the results as entirely beyond the law of coincidences and mathematical probability and that the phenomena were genuine and real telepathy Still more wonderful tests Telepathy an incontestable reality A psychic force transmitting ideas and thoughts And More *Clairvoyance and Occult Powers* William Walker Atkinson,2020-03-26 The skeptical person who believes only the evidence of his senses The man who has much to say about horse sense Common Sense versus Uncommon Senses The ordinary five senses are not the only senses The ordinary senses are not as infallible as many think them Illusions of the five physical senses What is back of the organs of physical sense All senses an evolution of the sense of feeling How the mind receives the report of the senses The Real Knower behind the senses What the unfolding of new senses means to man The super physical senses The Astral Senses Man has seven physical senses instead of merely five Each physical sense has its astral sense counterpart What the astral senses are Sensing on the astral plane How the mind functions on the astral plane by means of the astral senses The unfolding of the Astral Senses opens up a new world of experience to man *Clairvoyance and Occult Powers* William Walker Atkinson,2022-06-10 It is very well written and full of information Every angle is sufficiently explained If you re looking to learn more about what clairvoyance and occult powers are Goodreads **The Complete Works of William Walker Atkinson** William Walker Atkinson,2023-12-07 In The Complete Works of William Walker Atkinson readers are presented with a comprehensive anthology of one of the most influential figures in the New Thought movement This collection encapsulates Atkinson s diverse literary style marked by clarity and an accessible approach to metaphysical concepts Spanning multiple genres including self help philosophy and occult Atkinson s writings interrogate the nature of the mind the principles of success and the pathways to personal empowerment Contextually his work emerges during a time of societal change in the early 20th century as spiritualism and mysticism gained traction in Western thought reflecting the era s evolving attitudes towards consciousness and self realization William Walker Atkinson a prolific author lawyer and lecturer played a pivotal role in shaping modern esoteric thought His varied life experiences including a brush with adversity that led him to seek deeper meaning provided the impetus for his explorations into the human psyche and metaphysical disciplines Educated in the principles of both Eastern and Western philosophies Atkinson synthesized these traditions to create a holistic approach to personal development This anthology is highly recommended for anyone interested in the intersections of psychology spirituality and self improvement Atkinson s writings not only provide valuable insights into human potential but also serve as a practical guide for those seeking to enhance their lives through the understanding of mind and consciousness making it an essential read for scholars and enthusiasts alike **Awaken the World Within** Prof. Hilton Hotema,2017-01-12 World Famous alternative health

writer esoteric author and mystic Hilton Hotema gives a fascinating exposition of his theories This course of study 58 wonderful lessons contains a clear and simple exposition of what all must learn if they would get out of the fog of false teaching and travel the great way of regeneration and redemption **Clairvoyance and Occult Powers** William Walker Atkinson, 2017-08-12 LESSON I 15 THE ASTRAL SENSES The skeptical person who believes only the evidence of his senses The man who has much to say about horse sense Common Sense versus Uncommon Senses The ordinary five senses are not the only senses The ordinary senses are not as infallible as many think them Illusions of the five physical senses What is back of the organs of physical sense All senses an evolution of the sense of feeling How the mind receives the report of the senses The Real Knower behind the senses What the unfolding of new senses means to man The super physical senses The Astral Senses Man has seven physical senses instead of merely five Each physical sense has its astral sense counterpart What the astral senses are Sensing on the astral plane How the mind functions on the astral plane by means of the astral senses The unfolding of the Astral Senses opens up a new world of experience to man LESSON II 25 TELEPATHY vs CLAIRVOYANCE The two extra physical senses of man The extra sense of the presence of other living things The telepathic sense How man may sense the presence of other living things apart from the operation of his ordinary five physical senses This power is strongly developed in savages and barbarians but has become atrophied in most civilized men by continued disuse It is now vestigial in civilized man but may be developed by practice Animals have this extra sense highly developed and it plays a very important part in their protection from enemies their capture of prey etc The strange actions of dogs horses etc explained How the geese saved Rome by reason of this sense All hunters have experienced evidences of the existence of this sense on the part of animals The physical telepathic sense How it operates Interesting instances of its possession by animals and savage tribes Women possess it strongly The distinction between this form of thought transference and clairvoyance LESSON III 34 TELEPATHY EXPLAINED What telepathy means The mental process by which one knows at a distance The sending and receiving of waves and currents of thought and feeling Thought vibrations and how they are caused The part played by the cerebrum cerebellum and medulla oblongata the three brains of man The part played by the solar plexus and other great nervous centres How thought messages are received How states of emotional excitement are transmitted to others The Pineal Gland what it is and what it does The important part it plays in telepathy and thought transference Mental atmospheres Psychic atmospheres of audiences towns houses stores etc Why you are not affected by all thought vibrations in equal measure and strength How thought vibrations are neutralized Affinities and repulsions between different thought vibrations Interesting facts concerning telepathy Scientific explanations of telepathy LESSON IV 34 SCIENTIFIC TELEPATHY The important investigations of the Society for Psychical Research True telepathy and pseudo telepathy how they are distinguished by scientists Strict tests imposed in investigations The celebrated Creery Experiments and how they were conducted The elaboration of the guessing game Seventeen cards chosen right in straight succession Precautions
