The Introverted Actor Rob Roznowski, Carolyn Conover, Heidi Kasevich, 2020-06-27 Do you have to be an extrovert to succeed as an actor? This book offers ideas to create inclusive acting environments where the strengths of the introverted actor are as valued as those of their extroverted counterparts. As this book shows, many introverts are innately drawn to the field of acting but can often feel inferior to their extroverted peers. From the classroom to professional auditions, from rehearsals to networking events, introverted actors tell their stories to help other actors better understand how to leverage their natural gifts both onstage and off. In addition, *The Introverted Actor* helps to reimagine professional and pedagogical approaches for both actor educators and directors by offering actionable advice from seasoned psychology experts, professional actors, and award-winning educators.

The Production Manager's Toolkit Cary Gillett, Jay Sheehan, 2016-07-22 Our theater world is so much better with this book in it and even better with Cary and Jay at the helm. David Stewart, Director of Production for the Guthrie Theater. *The Production Manager's Toolkit* is a comprehensive introduction to a career in theatrical and special event production for new and aspiring professionals, given by expert voices in the field. The book discusses management techniques, communication skills, and relationship-building tactics to create effective and successful production managers. With a focus on management theory, advice from top production managers provides insights into budgeting, scheduling, meetings, hiring, maintaining safety, and more. Through interviews and case studies, the history and techniques of production management are explored throughout a variety of entertainment venues: theatre, dance, opera, and special events. The book includes references, tools, templates, and checklists, and a companion website contains downloadable paperwork and links to other useful resources such as unions, venues, and vendors. This book is written for student and professional production managers.
