The Austin Affair:

The Austin Affair Pendleton Parrish, Jay Novik, 2017-08 **The Austin Affair** Pendleton Parrish, 2017-08-14 In his second book *The Austin Affair* Pendleton Parrish takes readers on a thrilling ride as his main character Texas State Senator Trip Alem n loses the love of his life after catty women and their ruthless husbands conspire to have Trip kidnapped by Mexican Drug Cartels bent on his demise Readers will experience the joy of unrequited love the mean destructive ways of the wives of Westlake and the horrors of captivity by a heinous group of Mexican Drug Cartel members Readers will weep with tears of sadness and tears of joy all in one action packed suspense novel The story takes place in Austin Texas and travels through the state on a journey to the remote jungles of Mexico An excerpt from *The Austin Affair* I slipped out of the car and headed for the store The lot was full of like minded travelers My curiosity was taken by a large step van A woman who looked Hispanic was carrying a baby Two young men with tattoo s wallet chains broad smiles that showed Chrome covered teeth and large work boots leaned up against the van drinking beer covered by a brown paper bag Their hats covered their faces and they paid no attention to me as I made my way into the store I spent about 15 minutes looking over selections before getting them wrapped and bagged Two Fiji water bottles and a pack of gum then I paid the cashier with a crisp 100 dollar bill Several folks were sitting at picnic tables set up in the store eating various pastries and drinking assorted beverages I looked out of the window but could not see the SUV it was just out of sight I surveyed the store one more time and headed for Ellie who was now awake As she looked over her shoulder to see me she heard a tapping on her window A tall man in a black ski mask waving a 9mm Glock pulled the door open dragged her out of the car and pulled her behind the SUV he smacked her head with the pistol I now saw what was happening I tossed the bag as started to run toward Ellie A shot rang out and I hit the ground Two other thugs dressed in ripped camo and black ski masks picked me up and brutally dragged me to the van I had observed earlier The two large back doors swung open and more people in disguise helped the others throw me into the Van The man holding Ellie pistol whipped her on the back of the head one more time and Ellie fell to the unpaved parking lot cutting her arms and face She looked up one last time and held her arm up looking for me but all she could see was a blurred vision of her attacker Trip Trip she whispered this is not part of the dream baby The writer states Although this is a work of fiction every day hundred s die as a result of the menace of Drug Gangs and their maniacal pursuit of drugs money and weapons It could happen to anyone at any time *The Austin Affair* D. The Loneliest Places Rachel Dickinson, 2022-10-15 A child s suicide pitches you into a hellish place of fragmentary images the deepest depression imaginable efforts to destroy yourself and an almost complete break with what s happening in the world around you That was my experience I wish it upon no one The essays of *The Loneliest Places* began as a chronicle of Rachel Dickinson s life after her son s suicide The pieces became much more Dickinson writes the unimaginable and terrifying facts of heartbreaking loss In *The Loneliest Places* she tells stories from her months on the run fleeing her grief and herself as she escapes to Iceland and the Falkland Islands as far as possible from the memories of her dead son Jack She frankly relates the paralyzing emotion that sometimes left her trapped in her home confined to a single chair helplessly isolated The tales from these years are bleak and Dickinson s journey home back to her changed self and fractured family is lonely Conjuring Emily Dickinson however she describes how hope was sighted allowed to perch and then remarkably made actual

In the Affairs of the World Cara Anzilotti, 2002-05-30 This book examines how quite by accident and under very unfortunate circumstances Britain s colony of South Carolina afforded women an unprecedented opportunity for economic autonomy Though the colony prospered financially throughout the colonial period the death rate remained alarmingly high keeping the white population small This demographic disruption allowed white women a degree of independence unknown to their peers in most of England s other mainland colonies for as heirs of their male relatives an unusually large proportion of women controlled substantial amounts of real estate Their economic independence went unchallenged by their male peers because these women never envisioned themselves as anything more than deputies for their husbands fathers brothers and friends As far as low country settlers were concerned allowing women to assume the role of planter was necessary to the creation of a traditional male centered society in the colony Fundamentally conservative women in South Carolina worked to safeguard the patriarchal social order that the area s staggering mortality rate threatened to destroy Critical to the perpetuation of English culture and patriarchal authority in South Carolina female planters attended to the affairs of the world and helped to preserve English society in a wilderness setting

The Austin Papers Moses Austin, Stephen Fuller Austin, 1924

Presidential Sex Wesley O. Hagood, 1998 With profiles on Bill Clinton Thomas Jefferson FDR JFK Lyndon Johnson and Eisenhower this book describes the impact that freewheeling sexual behavior has had upon first families election campaigns political careers and the nation itself

After Emily Julie Dobrow, 2018-10-30 Scandal and pathos abound The New Yorker in this riveting account of the mother and daughter who brought Emily Dickinson s genius to light Longlisted for the PEN Jacqueline Bograd Weld Award for Biography Finalist for the Plutarch Award Despite Emily Dickinson s renown the story of the two women most responsible for her initial posthumous publication

Mabel Loomis Todd and her daughter Millicent Todd Bingham has remained in the shadows of the archives Utilizing hundreds of overlooked letters and diaries to weave together three unstoppable women Julie Dobrow reveals the intrigue of Dickinson s literary beginnings including Mabel s tumultuous affair with Emily s brother Austin Dickinson controversial editorial decisions and a battle over the right to define the so called Belle of Amherst
