Come Matter Here Hannah Brencher, 2018-05-29 Come Matter Here is a call to stop putting your life on hold until someday and start digging your heels into the here and now to build the life God has designed for you Life is scary Adulthood is hard When faced with the challenges of building a life of your own it's all too easy to stake your hope and happiness in someday But what if the dotted lines on the map at your feet today mattered just as much as the destination you dream of Hannah Brencher TED Talk speaker and founder of The World Needs More Love Letters thought Atlanta was her destination Yet even after she arrived she found herself in the same old chase for the next best thing somewhere else And it left her in a state of anxiety and deep depression Our hyper connected era has led us to believe life should be a highlight reel where what matters most is perfect beauty instant success and ready applause Yet as Hannah learned nothing about faith relationships or character is instant So she took up a new mantra be where your feet are Give yourself a permission slip to stop chasing the next big thing and come matter here Engage the process as much as you trust the God who lovingly leads you If you are tired of running away from your life or tired of running ragged toward the next thing you think will make you feel complete Come Matter Here will help you do whatever it takes to show up for the life God has for you Whether you need to make a brave U turn take a bold step forward or finish the next lap with fresh courage find fuel and inspiration for the journey right here

Getting Schooled Emma Chase,2018-06-26 Head of the class Garrett Daniels has this whole life thing figured out The

cocky charismatic former high school star quarterback is an idolized football coach and cool teacher in the hometown where he's not just a golden boy he's platinum. He has good friends, a great house on the lake, and the best damn sidekick a man could ask for: Snoopy the albino beagle. Then Callie Carpenter comes home and knocks him right on his tight end zone. Back to school: Callie has a pretty sweet life herself on the other side of the country. But circumstances that she'd prefer to never speak of again have brought her back home, helping out her parents and substitute teaching at her old high school. Now she's facing bickering, raging hormones, constant gossip, awkward weirdness, and drama galore, and that's just the teachers. Just like old times. When Garrett offers to show his former high school sweetheart the secrets of his winning teacher ways, Callie jumps at the chance and then has to stop herself from jumping him. Good friends are all they can ever be. Or these teachers just might end up getting schooled by love.
