mission in Sarajevo it wasn't love at first sight. They were both too jaded for that. But there was something there, a spark. And as the danger escalated and their affection for each other grew, they realized it was time to leave the Company to somehow rediscover the people they'd once been. As worldly as both were, the couple didn't realize at first that turning in their Agency ID cards would not be enough to put their covert past behind. The fact was their clandestine relationships remained. Living as civilians in conflict-ridden Beirut, they fielded assassination proposals met with Arab sheiks, wily oil tycoons, terrorists, and assorted outlaws, and came perilously close to dying. But even then they couldn't know that their most formidable challenge lay ahead. Simultaneously, a trip deep down the intelligence rabbit hole, one that shows how the game actually works, including the compromises it asks of those who play by its rules, and a portrait of two people trying to regain a normal life. *The Company We Keep* (Merch/Levy) Mary Monroe, 2009-02-24 New York Times bestselling author Mary Monroe's extraordinary novel celebrates life, love, and the power of sisterhood, proving that friends like fine wine only get better with age. Gorgeous, successful executive Teri Stewart spends her days working for L.A.'s hottest record company and her nights all alone. Her best friend Nicole is determined to find Teri a man, but she hasn't had much luck because Teri wants more than Mr. Maybe. She's holding out for Mr. Right and won't settle for anything less. Just when Teri is ready to give up, a man from her past returns to reignite their romance. With his sultry smile and easy-going charm, radio DJ Harrison Starr is one of a kind, and Teri can't deny she's fallen hard for him again. With her life finally falling into place, Teri thinks her dreams might come true after all. But Harrison may have a secret that could change everything. Based on the original screenplay by Roy Campanella II, Swift's salty writing and steamy sex scenes will keep readers cheering for the couple, and a twisting plot will keep them turning pages. **Selling Is Everything** G.F.
