He also uses their stories to show the wide range of technology now available to bowhunters, something that continues to expand, and how various technologies help different aspects of bowhunting. Within this must-have instruction, chapters discuss Mechanics of shooting, Different bows for all seasons, Arrow choice, Importance of the broadhead on the arrow, Different accessories and why they matter, How to be effective at any speed, Scouting effectively for deer. Longtime archery pro Rick Sapp covers all aspects of bowhunting in *The Complete Bowhunting Journal* and provides essential and timely information for bowhunters of every skill level. Draw back on *The Complete Bowhunting Journal* and prepare to have all the information you need to bag your trophy of a lifetime the next time you go bowhunting.

The Complete Bowhunting Journal Rick Sapp, 2005 Sapp knows that for consistent success in the field, bowmen need to be at one with their bow, arrow, and other equipment. In *The Complete Bowhunting Journal*, veteran author Rick Sapp, former editor of *Archery World* and author of several archery books, shares his expert tips on all aspects of bowhunting. Sapp writes about how to choose the right bow, measure your draw length correctly, tune your arrows, and much more. He shares his decades of experience to help you select the accessories that best suit your hunting needs and style, and he even covers the importance of eliminating yawing and minimizing wallowing and porpoising of your arrows in flight. With savvy hunting information from several experienced avid bowhunters, Sapp shares their adventures with information to which all bowhunters can relate. *The Complete Bowhunting Journal* not only educates bowhunters of all levels of experience but it also entertains with true life adventures to remember. As part of the Save Our Heritage program, proceeds from every sale of this and future titles will go directly back into ATA and its non-profit entities, The Bowhunting Preservation Alliance and ArrowSport. This program helps to enhance or add archery in every community, prolong bowhunters' outdoor pursuits across our country, and expand the introduction of bowhunting and archery to young adults throughout our nation. As the CEO and President of the Archery Trade Association, Jay McAninch said, "Bowhunting is like religion; once you've seen the light, you want others to find that special sense of accomplishment and challenge that only bowhunting offers." The Bowhunting Preservation Alliance works to put archery into every community, invite every beginning archer to try bowhunting, and wants every bowhunter to find opportunities to hunt where they live. Your purchase of this book will help provide the means for us to spread the good news about archery and bowhunting and ensure that long after you've left the woods, others will experience the adrenaline rush and genuine satisfaction shared by all who've hunted with stick and string. Thanks.
