## **The Confessions Of Max Tivoli:**

**The Confessions of Max Tivoli** Andrew Sean Greer,2005-02 Born as an old man Max Tivoli lives his life aging backwards falling in love and living an odd sometimes terrifying life in San Francisco at the turn of the nineteenth century

**The Confessions of Max Tivoli** Andrew Sean Greer,2004 Out of the womb in 1871 Max Tivoli looked to all the world like a tiny 70 year old man But inside the aged body was an infant Victim of a rare disease Max grows physically younger as his mind matures In this finely crafted novel Max narrates his life story from the vantage point of his late fifties though his body is that of a 12 year old boy

**The Confessions of Max Tivoli** Andrew Sean Greer,2007-04-01 From the bestselling and Pulitzer Prize winning author of *Less* comes Andrew Sean Greer's extraordinarily haunting love story *The Confessions of Max Tivoli* told in the voice of a man who appears to age backwards A Today Show Book Club Pick We are each the love of someone's life So begins *The Confessions of Max Tivoli* a heartbreaking love story with a narrator like no other At his birth Max's father declares him a nisse a creature of Danish myth as his baby son has the external physical appearance of an old dying creature Max grows older like any child but his physical age appears to go backward on the outside a very old man but inside still a fearful child The story is told in three acts First young Max falls in love with a neighborhood girl Alice who ages as normally as any of us Max of course does not as a young man he has an older man's body But his curse is also his blessing as he gets older his body grows younger so each successive time he finds his Alice she does not recognize him She takes him for a stranger and Max is given another chance at love Set against the historical backdrop of San Francisco at the turn of the twentieth century Max's life and confessions question the very nature of time of appearance and reality and of love itself A beautiful and daring feat of the imagination Andrew Sean Greer's *The Confessions of Max Tivoli* reveals the world through the eyes of a monster a being who confounds the very certainties by which we live and in doing so embodies in extremis what it means to be human

entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites
