

How do we promote greater faith development in our congregations?

1. We start with leaders who are clear on what it means to be a Unitarian Universalist and are able to articulate it!
2. We encourage members of the congregation to develop their own UU identity through workshops, worship and involvement in congregational life that is clearly connected to Unitarian Universalist principles and beliefs.
3. We develop behavioral covenants with each other that aid everyone in living out their UU identity and principles.
