The Consequences Of Sin:

The Consequences of Sin John MacArthur, 1985 **The Consequences of Sin** CHARLES NEAL SPENCE

(JR.), 2024-12-18 In this book I will look at seven consequences of sin Most people live their lives as if nothing they do has consequences They have this view because they often do not see the consequences of their actions While some of the consequences of sin are immediate the most devastating consequences are spiritual Most people do not consider that those consequences they can see immediately directly correlate to a sin they may have committed With each consequence of sin that I will consider all can find the remedy in Jesus Christ I will explore each remedy as I proceed in this study of the Consequences of Sin The Ethics of Aquinas Stephen J. Pope, 2002 In this comprehensive anthology twenty seven

outstanding scholars from North America and Europe address every major aspect of Thomas Aquinas s understanding of morality and comment on his remarkable legacy While there has been a revival of interest in recent years in the ethics of St Thomas no single work has yet fully examined the basic moral arguments and content of Aquinas major moral work the Second Part of the Summa Theologiae This work fills that lacuna The first chapters of The Ethics of Aquinas introduce readers to the sources methods and major themes of Aquinas s ethics The second part of the book provides an extended discussion of ideas in the Second Part of the Summa Theologiae in which contributors present cogent interpretations of the structure major arguments and themes of each of the treatises The third and final part examines aspects of Thomistic ethics in the twentieth century and beyond These essays reflect a diverse group of scholars representing a variety of intellectual perspectives Contributors span numerous fields of study including intellectual history medieval studies moral philosophy religious ethics and moral theology This remarkable variety underscores how interpretations of Thomas s ethics continue to develop and evolve and stimulate fervent discussion within the academy and the church This volume is aimed at scholars students clergy and all those who continue to find Aquinas a rich source of moral insight **The Handbook of Bible**
