Pieter J. Lalleman

The Contemplative Pastor Returning To The Art Of Spiritual Direction:

The Contemplative Pastor Eugene H. Peterson, 1993 Peterson who has been gaining a growing reputation as a pastor s pastor speaks words of wisdom and refreshment for pastors caught in the busy ness of preaching teaching and running the church Chapters include poetic reflections on the Beatitudes advice on spiritual direction between Sundays and the language of prayer

The Contemplative Pastor Eugene H. Peterson, 1989-01-01 Overlooked essentials of ministry In the busyness of preaching teaching and overseeing church ministries it s easy to let the urgent displace the important The immediate overwhelms the eternal And pastors find themselves running the church but not curing souls This book is a reminder of the essence of ministry It offers fresh thoughts on the important but neglected art of spiritual direction Author Eugene Peterson is the pastor of a 300 member Presbyterian church but he has focused his ministry on the practice of spiritual direction Christianity Today published a major article on Peterson calling him a monk out of habit He has earned a widespread reputation as a thoughtful articulate practitioner of the spiritual disciplines This book provides welcome refreshment for parched pastors Peterson does not heap up guilt for not being more disciplined Instead the book itself is an oasis a source of rejuvenation and recommitment to true ministry Jacket

Using the Bible in Spiritual Direction Liz Hoare, 2016-01-10 Spiritual direction is increasingly popular among Christians of all mainstream traditions with demand for directors outstripping supply in many places And although the Bible is central to the practice of spiritual direction very little has been published on how best to use it in this form of ministry Experienced spiritual director Liz Hoare explores the central role the Bible has played in Christian experience in order to discourage poor shallow or rigid use of the Bible which can lead to damage and inhibit spiritual growth According to Hoare the goal of spiritual direction is not a personal improvement plan but a people who are being shaped into the likeness of Christ for the flourishing of the church as a whole Using different methods of praying with the Bible and drawing on historical traditions of Christian spirituality as well as current literature and practice this book offers a rich stimulating and thoroughly biblical resource for all those who give and receive spiritual direction

Getting Fired for the Glory of God Mike Yaconelli, 2008 Years after his death Christians across the world turn to the words of Yaconelli to uncover the divine mischief the shameless truth telling the love of kids and the passion for Jesus that make youth ministry an irresistible calling

Henri Nouwen and Soul Care Wil Hernandez, 2008 In examining Henri Nouwen s approach to the ministry of soul

care and spiritual formation at close range we can conclude that his holistic and integrative style is essentially drawn from his sophisticated understanding of the coinherence of spirituality with psychology ministry and theology Henri Nouwen's ministry is characterized by a ministry of integration primarily because he first of all embodied a spirituality of integration His ministry was but an overflow of his spirituality Unquestionably Nouwen ministered out of who he was as a person a person of deep integrity The author contends that Henri Nouwen's work of soul care and spiritual formation is never about techniques Neither is it about programs and curricula important as they are in ministry More importantly it is definitely not about roles even though multiple roles have been attached to his person

The Preacher as Liturgical Artist Trygve David Johnson, 2014-01-24 Trygve Johnson invites us to consider a new metaphor of identity of The Preacher as Liturgical Artist This identity draws on a theology of communion and the doctrine of the vicarious humanity of Christ to relocate the preacher's identity in the creative and ongoing ministry of Jesus Christ Johnson argues the metaphorical association of the preacher and artist understood within the artistic ministry of Jesus Christ frees the full range of human capacities including the imagination to bear upon the arts of Christian proclamation The Preacher as Liturgical Artist connects preachers to the person and work of Jesus Christ whose own double ministry took the raw materials of the human condition and offered them back to the Father in a redemptive and imaginative fashion through the Holy Spirit It is in the large creative ministry of Jesus Christ that preachers find their creativity freed to proclaim the gospel bodily within the context of the liturgical work of God's people

Wisdom From the Margins William G. Britton, 2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn't ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It's not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I'm hoping that like me you'll discover something that you didn't know you wanted or needed and something now you wouldn't give up at any price

Challenging to change Pieter J. Lalleman, 2020-09-18 On 13 May 2009 Dr Nigel G Wright celebrated his sixtieth birthday For this occasion friends and colleagues presented him with a Festschrift which reflects his career as a radical baptist leader and theologian Over the past decades he has played a leading role in the Baptist movement in Britain and worldwide The contributors to *Challenging to change* dialogues with a radical baptist theologian interact with aspects of Wright's activities and writings so far The spelling of baptist with a small b in the subtitle of this book reflects Wright's own usage baptist refers to the broader tradition of believers churches stemming from the radical wing of the European Reformation to which not only

Baptist churches belong but also Anabaptist Brethren Pentecostals Restorationists and others This book makes a valuable contribution to the thinking of all baptists about issues such as ministry Church and state church planting and evangelical identity In particular pastors other church leaders and students will profit hugely from it and they will be encouraged to pick up Nigel Wright s own books

Spiritual Direction and the Care of Souls David G. Benner, Gary W. Moon, 2025-06-23 In recent years many Christian clergy laity and mental health professionals have rediscovered the ancient practices of spiritual direction Seen as a refreshing alternative to the techniques and limitations of modern psychology such practices offer new insights for pastoral care But many remain unclear on what spiritual direction is and whether its methods are applicable to their own clients and parishioners Spiritual direction is a practice of Christian soul care that is found most notably in the Catholic Orthodox and Episcopal traditions but is also present in Wesleyan Holiness Pentecostal charismatic social justice and Reformed communities Predating modern counseling and psychotherapy movements but sharing key principles and insights for spiritual formation spiritual direction offers significant resources for today s pastors counselors therapists chaplains and other caregivers attuned to the work of God in people s lives In this landmark volume editors Gary W Moon and David G Benner along with a team of expert contributors provide a comprehensive survey of spiritual direction in its myriad Christian forms Specific chapters offer careful historical perspective and contemporary analysis of how Christians from various backgrounds have practiced spiritual direction with particular attention to each tradition s definition of spiritual direction the process of authentic transformation the role of the spiritual director indicators of mature spirituality and other aspects of the spiritual direction process Chapters also provide psychological and clinical insight into how spiritual direction is similar to different from and can be integrated with psychotherapy and pastoral counseling to help others experience spiritual transformation and union with God

Understanding Our Story Rebecca Letterman, Susan Muto, 2017-02-28 Understanding Our Story presents a concise introduction to the original transformative thinking of Adrian van Kaam CSSp PhD 1920 2007 While many books are available on spiritual formation and Christian disciplines no other author of our time has offered such a holistic and comprehensive explanation of Christian formation and its relationship to the human spirituality of all persons Understanding our Story culls the most seminal ideas and vocabulary from van Kaam s eleven volumes on formation science formation anthropology and formation theology and provides examples of his theoretical practical research drawn from everyday life Scripture Christian writers and van Kaam s life story itself In doing so it makes his extensive work available to scholars in the field of spiritual formation and gives all readers the opportunity to utilize his insightful thinking to more fully understand the myriad ways in which God reforms and transforms lives into the image of Christ In the pluritraditional world in which we live where so many faith and formation traditions demand our attention van Kaam s formative spirituality provides a means of respectful dialogue with formationally relevant truths from others and of wise appraisal of ideas that are and are not conducive to and compatible with the Christian revelation

Borderland

Churches Gary V Nelson, 2009-01-01 Borderland Churches is a call to embrace the pluralistic post Christian and postmodern culture with a sense of opportunity and hope The author uses the image of the church crossing over into an in between time a place where faith is lived outside the walls of the church engaging the community in incarnational ways To live in that precarious but exhilarating place where faith and other faiths and no faith meet Only individuals and congregations that accept this new reality will be able to carry on Christian ministry in this new cultural situation A TCP Leadership Series title

Bearing Witness in Acts and Today Troy M. Troftgruben, 2025-05-16 Many people have mixed reactions to conventional ideas of evangelism And yet in Scripture Jesus invites his followers to engage in faithful witness in the world In a society as complicated as ours where people have had many positive and negative experiences with Christianity what does constructive and faithful witness look like This book reengages the call of Jesus in Acts to bear witness faithfully The book explores how witness takes shape in Acts why that matters and what that might mean for today Each chapter focuses on Scripture passages from Acts examples of the early church engaged in witness and reflections on faithful witness today Nearly all Scripture passages appear in the Revised Common Lectionary for worship making them more familiar Each chapter concludes with discussion questions resources and suggestions These resources allow readers to engage in Scripture and reflection as individuals and as communities about faithful witness today Bearing Witness in Acts and Today invites readers into deeper engagement with the story of Acts the faithful witness of early church communities and the call of Jesus for today
