*The Ascent to Joy* Marc Foley,2016 For more than a decade this book now with ICS Publications has been a valuable resource for those wanting to explore the works and teachings of St John of the Cross in a convenient format In this concise introduction to and anthology of the works of the great Carmelite mystic Father Foley leads the reader step by step into the very heart of Johns spiritual way      **Enkindling Love** Gillian T. W. Ahlgren,2016-06-03 Enkindling Love chronicles the journey toward a living partnership with God as articulated by two of Christianity s great mystical teachers Excerpts from the seven moradas dwelling places of Teresa of Avila s Interior Castle are held together with selections from John of the Cross s Dark Night of the Soul Spiritual Canticle and The Living Flame of Love in order to show stages of growth and transformation as this partnership moves from its nascent potential through deepening friendship and intimacy to the full fruition of the mystical life Moving through the process via textual passages and commentary readers are invited to consider God s desire for partnership with us and how the love of God actively invites us into deeper relationship not only with God but also with self and other Because Teresa and John experienced God s love as a transforming power they teach that it is a participatory reality that shapes and remakes us even as if invites us to collaborate with God in the remaking of our world      **Seeking the Beloved** Wayne Simsic,2012-04-01 Prayer is not just time set aside for God or the use of certain techniques it is primarily an intimate relationship with God the Beloved If we hunger for a prayer that is deeper than words and that we can bring to every part of our lives no matter what we are doing then we can turn to St John of the Cross as our guide Retreat master and author Wayne Simsic insists that while it s easy to write off this saint as an otherworldly ascetic and mystic he was actually a down to earth and wise administrator poet and artist whose writings have great relevance for us today In this book Simsic helps readers discover the gift of contemplative prayer as unfolded by this Carmelite saint whose longing for a deep intimacy and union with God can become our longing as well      **Eternal Retirement** Rev. J.J. Inserra,2023-05-04 Do you know where you will spend Eternity Where will you go when your earthly life ends Where you go depends on what you do now Why is that so Because after death the only laws and ways that matter are God s and how well we tried to live by them God wants everyone with Him but unfortunately not all will make it Are you going to eventually make it to Heaven or not This is unknown Anyone can change for the better or worse until he or she passes away If you re a Christian and think that all I need is to believe in Jesus and do nothing more then you are quite mistaken This is because God the Son came and for all With that said does God owe us anything But how well we live by His rules shows God that we want to live with Him forever in Heaven If you are an Atheist or an Agnostic and don t believe God exists or that there is any proof of His Existence this book helps those with such thinking You have faith just not in God Yet We need faith to believe the things people say to us whether it is a lie or truth When God Died for us it can be seen as though He invested in us rather than starting over To get

to His Eternal Retirement Home we must live lives that show Him a good return on His investment in us Ask yourselves this question often Is the way I am living a good return on God s investment in me There will be a need for improvement even for the best of us This book helps us to do just that      **Radical Wisdom** Beverly Lanzetta, Lanzetta illuminates the transformative potential of the classical tradition of women mystics especially in light of contemporary violence against women around the world Focusing on the contemplative process as women s journey from oppression to liberation Lanzetta draws especially on the mysticism of Julian of Norwich and Teresa of Avila She lays out the contemplative techniques used by mystics to achieve their highest spiritual potential and also investigates how unjust social and political conditions afflict women s souls Lanzetta identifies a specific historical female mystical path the via feminina and draws contemporary conclusions for how women might understand their bodies their rights and their ethics      **Edith Stein and the Body-soul-spirit at the Center of Holistic Formation** Marian Maskulak,2007 With a particular emphasis on the soul this book explores Edith Stein s holistic conception of the human being s body soul spirit unity which forms the foundation of her Christian anthropology and her view of human formation Characterized by an unremitting attention to interconnections Stein emerges as a forerunner of contemporary holistic approaches Edith Stein and the Body Soul Spirit at the Center of Holistic Formation demonstrates the breadth and relevance of Stein s work by engaging her thought with the anthropological views of fellow phenomenologist John Paul II Wilkie Au s perspectives on holistic spirituality and formation and several nonreductionist neuroscientific viewpoints of the human being This book also makes available to the English reader a significant amount of material from Stein s untranslated works Anyone interested in theological anthropology holistic spirituality human formation the body mind question or Edith Stein studies will benefit from the wealth of material presented in this single book      *Transforming Heart and Mind* Peter N. Christian Mysticism's Queer Flame Michael Bernard Kelly, 2018-09-03 Is the Christian mystical tradition a relic of another time shaped by celibates for celibates unable to engage meaningfully with people of our time who embrace their corporeality and sexuality as crucial aspects of their journey towards union with God This book reflects in serious theological depth and detail on the spiritual and sexual journeys of gay men of mature and committed Christian faith employing the Christian mystical tradition as the lens and the interlocutor in this process This study examines the major themes and stages of the mystical tradition as outlined by Evelyn Underhill but also including more recent work by Ruth Burrows Thomas Merton and Constance Fitzgerald Using methods of qualitative research it then considers the texts of in depth interviews conducted with men most of whom are theologians or spiritual leaders with a deep Catholic faith and all of whom are openly self affirmingly gay Finally it employs Ricoeur's hermeneutical theory to engage in a creative theological conversation between the traditional mystical stages and themes and these men's lives as described in their interviews This is a unique study that brings together ancient spirituality with contemporary lived religion As such it will be of interest to scholars of religious studies theology Christian mysticism and spirituality and queer studies It will be of particular interest to those teaching spiritual direction and to all who seek new ways to engage with the spiritual lives of LGBTIQ people
