

4 rules of GUN SAFETY

Treat ALL firearms as if they are always loaded

NEVER point the firearm at anything you are not willing to destroy

ALWAYS keep your finger off the trigger until your sights are on target and you've decided to shoot

KNOW your target and what is beyond it

The Cardinal Rules of Gun Safety Chapter 5 Parts of a Gun Chapter 6 Learning to Fire your Gun Chapter 7 Practical Shooting the sport Chapter 8 When you are under attack Chapter 9 Additional Safety Precautions Conclusion Author Bio Bonus Content Introduction Mental Attitude Towards Violence How to Stop from Panicking Facing Your Attacker Rules to Protect Yourself Going Out to a Party When You Are Walking What If You Are Being Followed Traveling on Your Own Traveling in Your Car Relationships Going Wrong No Means No To drink Or Not to Drink That Is the Question Learning How to Fight Back How to Protect Yourself Against Grabs Conclusion Author Bio Publisher Introduction I wrote this book to share what I have learned in gun handling and to give some idea not only to women but also to men of how a woman perceives this man dominated gadget or equipment I would say that 99% of women who know how to handle a gun or who are engaged in practical shooting as a sport were influenced by a male in their lives whether it is the father husband brother boyfriend uncle or a male friend Gun ownership inarguably is a man s world But it did not say that women cannot dip their fingers to it if it is necessary or even if she was just plain interested In my case the guilty party was my husband who suavely got my nod first for him to own a gun and later on to join him on his shooting practice tournaments and gun shows I have to admit that in the beginning I would cringe whenever I would see him working on his gun and later on guns I always have this thought that it will discharge accidentally and someone could get hurt At that time I could not even hold a gun But then gradually I warmed up to it I started holding the gun no bullets of course until later on my husband would be training me on how to hold it properly how to get the right stance and eventually how to fire it Believe it or not within months I was going with him on his practice shooting and tournaments At first I was the photographer and videographer Eventually I would be doing my own practice sessions and would join him on tournaments
