## **The Hardest Lesson Personal Accounts Of A School Desegregation Crisis:**

**The Hardest Lesson** Pamela Bullard, Judith Stoia, 1980-01-01 Describes how the desegregation of the Boston schools in the 1970 s affected the lives of selected individual students and several adults chosen to represent a cross section of the community

**School Desegregation Research** Jeffrey Prager, Douglas Longshore, Melvin Seeman, 2012-12-06 The desegregation situation is the keynote theme of the following chapters I Each of them touches on a different dimension of the situation the historical the temporal the spatial But the reader perusing the essays with the situation in mind should remember that the desegregation situation should not be interpreted literally Authorities and adults certainly school age children probably are influenced by their awareness of a sequence of past and future situations Some may even operate with William James s 1890 p 608 notion of the specious present that has melted in our grasp fled ere we could touch it gone in the instant of becoming thus reducing the potency of the present situation Others may be dancing to a slower tempo of change thus becoming more responsive to the present situation Whatever the perceived tempo many must share the view that the future may reverse the direction of the past Some may see that new future direction as unswerving unending or long lasting others may see it as short lived And it is through attention to the phenomenological description of desegregation that these issues can be explored a theme that is considered in several of the following chapters

**Mad as Hell** Dominic Sandbrook, 2012-02-14 I m mad as hell and I m not going to take it anymore The words of Howard Beale the fictional anchorman in 1976 s hit film Network struck a chord with a generation of Americans In this colourful new history Dominic Sandbrook ranges seamlessly over the political economic and cultural high and low points of American life in the 1970s exploring the roots of the fears resentments cravings and disappointments we know so well today From Richard Nixon and Ronald Reagan to Anita Bryant and Jerry Falwell he shows how the 1970s saw the emergence of a new right wing populism setting the stage for the bitter partisanship and near total cynicism of our modern political landscape

**Boston Against Busing** Ronald P. Formisano, 2012-01-01 Perhaps the most spectacular reaction to court ordered busing in the 1970s occurred in Boston where there was intense and protracted protest Ron Formisano explores the sources of white opposition to school desegregation Racism was a key factor Formisano argues but racial prejudice alone cannot explain the movement Class resentment ethnic rivalries and the defense of neighborhood turf all played powerful roles in the protest In a new epilogue Formisano brings the story up to the present day describing the end of desegregation orders in Boston and other cities He also examines the nationwide trend toward the resegregation of schools which he explains is the result of Supreme Court decisions attacks on affirmative action white flight and other factors He closes with a brief look at the few school districts that have attempted to base school assignment policies on class or economic status
