Annotations of the Heart'S Cry: Man'S Secrets Joshua Alexander, 2011-09-06 What happened to the love aspect of manhood Why is that aspect only reserved for relationships with women as it relates to traditional men Why is the softer more compassionate side of a man only reserved for little children and then done away with when that son that nephew grandson or brother starts getting older Who determined that once a boy reaches a certain age he can no longer have or experience that type of love any more from his male role models or authority figures Who constituted the authority to those men before us to make such a decision Why was that decision ever made and then allowed in the first place Why was it ever accepted Why has it not changed

Cries of the Heart Max Oliver, 2011-09 writes poetry from his soul His words are happy and painful reminders of the realities of human life His words

confusing we tend to look to the world for answers when we need to look to God for His direction This book offers my testimony and experience of what I have seen the church accomplish in hard times and yet urge the church with a wake up call to heed the heart of God We need God s power back in our churches and with all of my heart God longs to once again manifest his presence *Touch the Sky - the Heart's Safe Haven* E. A. Vinson, 2010 Touch The Sky is about love It is a series of love songs or poems The wondrous love between a man and a woman The mystery of God s love for a man and a man s love for God in communion in the big things and in the little things of life The mystery of being sent as a living sign and ambassador of unbound love and of joy unspeakable knowing the weight of the Presence of the Divine with us through the thick and thin of life its ups and downs its great griefs and great joys to this one End that Love conquer all to make all things as new again Without love there is no hope With love our hope is like a great diamond with many faces which shine on us with the many facets of God s face reflected here in so many aspects of life The facets of His Love are like a rock not hewn by human hands with which He draws and makes us His Touch The Sky contains treasure that the author has brought back from diving trips beneath the surface of the seen where the net of thought drips words back into the the ungraspable whole of it
