*The Hero of Byzantium* Joseph Lessard, 2005-06-13 In December Belisarius entered Rome from the south through the Porta Asinaria by the Basilica of Constantine The Gothic garrison fled north out the Porta Flaminia towards Ravenna Belisarius suffered from no illusions he knew the Goths would soon be back in force to lay siege to the city This would be the decisive battle for Italy and he would be prepared for it Fifty years ago the Western Empire fell and now the Eastern Roman Empire is threatened on all sides If it is to survive a strong emperor must come to

the throne and a hero must lead the emperor's armies In 527 CE Justinian I rose to the throne with a vision of restoring Rome to its former glory He soon found a general and a hero named Belisarius General Belisarius gave hope to the people and once more rekindled the flames of conquest in the Roman army Belisarius showed faith in God unquestionable loyalty to his emperor and compassion for his warriors and the Roman people He was without a doubt The Hero of Byzantium [The Life of Belisarius](#) Earl Philip Henry Stanhope Stanhope,1829 **The Life of Belisarius** Earl Philip Henry Stanhope Stanhope,Philip Henry Stanhope,2006 **Count Belisarius** Robert Graves,2014-03-06 This vigorous tale by the acclaimed author of I Claudius captures the sixth century fall of the Byzantine Empire as seen through the eyes of a servant Kirkus Reviews Threatened by invaders on all sides the Eastern Roman Empire of the sixth century fought to maintain its borders Leading its defense was the Byzantine general Belisarius a man who earned the grudging respect of his enemies and who rose to become Emperor Justinian's greatest military leader Loosely based on Procopius's History of the Justinian Wars and Secret History this novel tells the Belisarius's story through the eyes of Eugenius a eunuch and servant to the general's wife It presents a compelling portrait of a man bound by a strict code of honor and unrelenting loyalty to an emperor who is intelligent but flawed and whose decisions bring him to a tragic end Eminent historical novelist and classicist Robert Graves presents a vivid account of a time in history both dissolute and violent and demonstrates once again his mastery of this historical period A brilliant piece of scholarship Kirkus Reviews The scope of the book is massive encompassing religious controversy and cultural developments as well as military history yet throughout Graves succeeds in blending historical details with the development of his main characters Historical Novel Society [The Life of Belisarius](#) Philip Henry Stanhope,1829 **Belisarius** PETER. KEATING,2021-05-26 Success breeds enemies Constantinople 533 Emperor Justinian charges General Belisarius with a mission to bring Vandal held North Africa back into the imperial fold Set in the Golden Age of Byzantium this is Belisarius account of his early life in Middle Dacia his rise through the ranks of the Roman army epic battles with the Persians and the fight for control of lost Mediterranean lands But in Byzantine politics sometimes the enemy within is as dangerous as one on the field of battle [The Search of Belisarius](#) Percy Stickney Grant,1907 **The Life of Belisarius** Lord Mahon,2018-04-12 At the beginning of the sixth century of the Christian era the empire of Constantinople was beset with enemies and sinking to decay The tide of barbarian invasion had lately overwhelmed one half of the ancient provinces of Rome and these conquests both by their effect and their example threatened speedy downfall to the rest The emperors became either hated from their reforms or despised from their incapacity and in either case their fate was the same Frequent insurrections wasted the resources of the state and deprived the government of all energy and enterprise while the armies turbulent and feeble had thrown off the restraints of military discipline It is the purpose of my narrative to show how the genius of one man averted these dangers and corrected these defects how the tottering empire was upheld how the successors of Augustus were enabled for a time to resume their former ascendancy and to wrest from the hands of

the barbarians their most important possessions      *Count No Man Happy* Paul Kastenellos,2011-12-01 Count no man happy recounts the life of the young Byzantine emperor Constantine VI who lived in the last years of the eighth century CE and of his ambitious and domineering mother the empress Irene It is the true story of the conflict between mother and son for the throne and of Constantine s forlorn affection for the daughter of Charlemagne P 4 of cover      **Belisarius** Ian Hughes (Historian),2009      *Life of Belisarius* Philip Henry Stanhope Stanhope,2025-05-22 Explore the remarkable life and career of one of history s greatest generals in Philip Henry Stanhope s *Life of Belisarius* This meticulously researched biography delves into the extraordinary achievements of Belisarius the celebrated Byzantine commander who served under Emperor Justinian I From his pivotal role in reconquering North Africa from the Vandals to his campaigns against the Ostrogoths in Italy and his defense of the Eastern Roman Empire against Persian incursions Belisarius demonstrated unparalleled military skill and strategic brilliance Stanhope s account offers a comprehensive examination of Belisarius s military strategies his complex relationship with Justinian and the political intrigues of the Byzantine court Discover the triumphs and tribulations of a man whose loyalty and valor shaped the course of the 6th century *Life of Belisarius* remains a compelling portrait of leadership ambition and the enduring legacy of a military genius This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      **The Life of Belisarius** Earl Philip Henry Stanhope Stanhope,2006      *The Generalship Of Belisarius* Major Anthony Brogna,2015-11-06 This study reviews the campaigns and battles of the Sixth Century A D Byzantine General Belisarius attempting to extract common threads of military thought and principles and providing an analysis as to the application of his method to today s military operations Belisarius won extraordinary victories on three continents often fighting against overwhelming odds The study reviews the world environment from the perspective of the Eastern Roman Empire along with the major personalities of the age After a short review of the Eastern Roman Empire s military structure the study reviews chronologically and analyzes Belisarius campaigns against the Persians the Vandals and the Ostrogoths This study concludes showing that mastership of strategic and tactical thought deception psychological warfare superior technology and training and elite forces were among the keys of Belisarius success Finally these keys of
