since pre history and offers a long perspective on Irish history right up to the present time This comprehensive survey includes discussion of the arrival of St Patrick in the fifth century and Henry II in the twelfth as well as that of numerous soldiers traders and craftsmen through the ages The author explores how these settlers have shaped the political and cultural climate of Ireland today James Lydon charts the changing racial mix of Ireland through the ages which shaped the Irish nation The author also follows Ireland s long and troubled entanglement with England from its beginning many centuries ago The Making of Ireland offers a complete history in one volume Through a predominantly political narrative James Lydon provides a coherent and readable introduction to this vital complex history

Scotland's Merlin Tim Clarkson,2016-05-19 Who was Merlin Is the famous wizard of Arthurian legend based on a real person In this book Merlin s origins are traced back to the story of Lailoken a mysterious wild man who is said to have lived in the Scottish Lowlands in the sixth century AD The book considers the question of whether Lailoken belongs to myth or reality It looks at the historical background of his story and discusses key characters such as Saint Kentigern of Glasgow and King Rhydderch of Dumbarton as well as important events such as the Battle of Arfderydd Lailoken s reappearance in medieval Welsh literature as the fabled prophet Myrddin is also examined Myrddin himself was eventually transformed into Merlin the wizard King Arthur s friend and mentor This is the Merlin we recognise today not only in art and literature but also on screen His earlier forms are less familiar more remote but can still be found among the lore and legend of the Dark Ages Behind them we catch fleeting glimpses of an original figure who perhaps really did exist a solitary fugitive tormented by his experience of war who roamed the hills and forests of southern Scotland long ago
