The Marsh Kings Daughter:

The Marsh King's Daughter Karen Dionne, 2017 In this tale of psychological suspense a woman must risk everything to hunt down the dangerous man who shaped her past and threatens to steal her future her father *The Marsh King's Daughter* Elizabeth Chadwick, 2010-12-09 Despite having signed the Magna Carta and made promises to mend his ways there is still great dissatisfaction with King John's rule Among the rebellious nobles is young Nicholas de Caen While fighting John's troops he is captured but during the trip back to be questioned the treacherous marshes cause trouble and Nicholas and King John's treasure are both lost Nicholas is injured and ends up at a nunnery where he is nursed by Miriel of Wisbech News of the lost treasure comes to them and the nuns realise the young man they are looking after probably knows something about this

Of Me and Others Alasdair Gray, 2019-02-07 In this frank playful and typically unorthodox collection of essays Alasdair Gray tells of how his early life experiences influenced his writing including the creation of those landmarks of literature *Lanark* and 1982 *Janine* He details the inspirations behind his many acclaimed artworks and murals and makes clear how his moral social and political beliefs and his work are inextricably linked Incisive funny and fired with passion *Of Me and Others* is as much about people place and politics as it is about Gray's own life in art

Hans Christian Andersen Jens Andersen, 2006-03-28 Andersen provides a fascinating backdrop for the life of the acclaimed fairy tale writer a budding genius placed in the context of his time Publishers Weekly Hans Christian Andersen was a storyteller for children of all ages but he was more than that He was a critical journalist with great enthusiasm for science an existential thinker an observant travel book writer a passionate novelist a deft paper cut out artist a neurotic hypochondriac and a man with intense but frustrated sexual desires This startling and immensely readable definitive biography by Danish scholar Jens Andersen is essential to a full understanding of the man whose writing has influenced the lives of readers young and old for centuries Jens Andersen sheds brilliant new light on Hans Christian Andersen's writings and on the writer whose own life had many aspects of the fairytale Like some of the memorable characters he created Andersen grew up in miserable and impoverished circumstances He later propagated myths about his life and family but this new biography uncovers much about this man that has never been revealed before An enthralling ground breaking new biography Jens Andersen has a novelist's insights which enhance his meticulous biographical skills making us appreciate among much else that ambiguity is as intrinsic to the life as to the art that came out of it *The Independent*
