The Mating Trade:

The Mating Trade Robert Mullan, 2022-02-23 Are marriages made in heaven In reality many people need a little help in the arrangement of such matters whether from Jewish shadkhans matchmakers go between computer or video dating agencies marriage bureaux Asian arranged marriages gay dating agencies or personal ads Originally published in 1984 the author's clear sighted look at the mating trade takes some of the mystique away from the subject and is the first serious and detailed account of the third party in marriage Dr Mullan looks at the singles scene and the arranged marriage historically and cross culturally and makes it clear that there is nothing necessarily odd or deviant about the mating trade It is a business like any other and as long as people continue to want perfect partners marriage permanent relationships dates and sex and while evolving social structures make such demands ever more difficult to meet the business will thrive It could even expand and grow but the author believes that first it will have to clean up its act *The Mating Trade* Bob Mullan, 1984-01-01
