The Measure Of My Days:

Measure of My Days Florida Scott-Maxwell,2013-07-31 At eighty two Florida Scott Maxwell felt impelled to write about her strong reactions to being old and to the time in which we live Until almost the end this document was not intended for anyone to see but the author finally decided that she wanted her thoughts and feelings to reach others Mrs Scott Maxwell writes I was astonished to find how intensely one lives in one s eighties The last years seemed a culmination and by concentrating on them one became more truly oneself Though old I felt full of potential life It pulsed in me even as I was conscious of shrinking into a final form which it was my task and stimulus to complete The territory of the old is not Scott Maxwell s only concern In taking the measure of the sum of her days as a woman of the twentieth century she confronts some of the most disturbing conflicts of human nature the need for differentiation as against equality the recognition of the evil forces in our nature and her insights are challenging and illuminating The vision that emerges from her accumulated experience of life makes this a remarkable document that speaks to all ages *A Measure of My Days* David Loxterkamp,1997 A family physician describes the universal struggle with adversity and discovers strength through work faith community and love **Ancient Wisdom And The Measure Of Our Days** Fred Brancato,2023-04-17 Ancient Wisdom and the Measure of Our Days is a treasure Brancato provides his readers with the opportunity to reflect on the universal process of aging while in the company of sages from around the world It is a loving and gentle text that all will find comfort in Melinda Plastas Ph D Bates College This gem is long overdue and we thank Dr Brancato for his gift Rabbi Harry Sky author of My Journey and Give me 2 Minutes of Your Time The further I ventured into Brancato s book the more convinced I became that I will read it over and over again learning something new each time Kali Lightfoot Executive Director of the National Resource Center for Osher Lifelong Learning Institutes The longer we live the more likely we are to experience great losses in life such as the death of a partner family member or friend and the inevitable diminishment of our physical and mental functions Combining 50 years of ongoing study of world religions with his own experiences of aging Dr Brancato relates the world views of sages and saints to the realities of change as we age our shifting personal identities the quandaries of how to live in unanticipated circumstances and the incomprehensible nature of the Infinite This significant thought provoking book offers counsel solace and advice to those facing retirement aging and loss It is to be read slowly reflected upon and read again A Commentary on the Psalms John Mason Neale,Richard Frederick Littledale,1868 *The Measure Of Days* Cynthia Harrod-Eagles,2011-08-25 1916 England is at war and the Morland family is in the thick of it with two men already in France and three more soon to go Tragedy strikes Morland Place when Jessie s husband Ned is reported missing on the Western Front His father launches a desperate bid to find him but the family fear the worst Jessie in mourning and frustrated by her job as an auxiliary nurse goes to London to work in a military hospital There she is reunited with her old friend Oliver posted to the capital under the RAMC Also in London is Violet whose affair with the brilliant artist Octavian

Laidislaw is about to erupt in scandal The Measure of Days paints a portrait of a family and a nation at war at a pivotal point in history With the onset of conscription no one is left unaffected Every man must hold himself in readiness and every woman knows that when she says goodbye it might be for the last time The Measure of My Days ,1978 **The Zohar** Daniel Chanan Matt,2004 This third volume of The Zohar Pritzker Edition completes the Zohar s commentary on the book of Genesis Here we find spiritual explorations of numerous biblical narratives including Jacob s wrestling with the angel Joseph s kidnapping by his brothers his near seduction by Potiphar s wife his interpretation of Pharaoh s dreams and his reunion with his brothers and father Throughout the Zohar probes the biblical text and seeks deeper meaning for example the divine intention behind Joseph s disappearance or the profound significance of human sexuality Divine and human realities intertwine affecting one another Toward the end of Genesis the Bible states Jacob s days drew near to die an idiomatic expression that the Zohar insists on reading hyperliterally Each human being is challenged to live his days virtuously If he does those days themselves are woven into a garment of splendor at death they draw near enveloping him escorting him to the beyond Sefer ha Zohar The Book of Radiance has amazed and overwhelmed readers ever since it emerged mysteriously in medieval Spain toward the end of the thirteenth century Written in a unique Aramaic this masterpiece of Kabbalah exceeds the dimensions of a normal book it is virtually a body of literature comprising over twenty discrete sections The bulk of the Zohar consists of a running commentary on the Torah from Genesis through Deuteronomy **A Commentary on the Psalms from Primitive and Mediaeval Writers** J.M.
