The Merrill Guide To Robinson Jeffers:

The Merrill Guide to Robinson Jeffers William Henry Nolte, 1970 The Merrill Checklist of Robinson Jeffers William Henry Nolte, 1970 **Guide to American Literature from Emily Dickinson to the Present** James T. Callow, Robert J. Reilly, 1977 **Robinson Jeffers and a Galaxy of Writers** William B. Thesing, 1995 **A Literary History of the American West** Western Literature Association (U.S.), 1987

Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance A Bibliographical Guide to the Study of Western American Literature Richard W. Etulain, Nancy Jill Howard, 1995

The revised and updated edition of this standard reference work in the field of Western American Literature now contains over 6 000 bibliographic references The topical listings have been expanded to encompass feminist and environmental studies Rather than attempting to be exhaustive the editors have chosen the major interpretive works making the volume useful to both specialists working outside their area and nonspecialists seeking an overview Broad in its scope the guide also focuses on a number of special topics local color and regionalism popular western literature western film Indian literature and Indians in western literature the environment women and families the Beats and Canadian western literature Logically and helpfully organized the volume will be invaluable to scholars researchers students and general readers *Catalog of Copyright Entries.
