The Message To The Planet Paperback:

The Message to the Planet Iris Murdoch, 1989 Alfred Ludens believes his friend Marcus Villar is in possession of a unique understanding of the human condition enhanced when he mysteriously recovers from the brink of death *The Vincetalin Legacy The Ovinka: Book 8 The Message* Vanda Denton, 2015-09-27 In an attempt to be accepted as Vincetalin Zondex has sent a message deep into space offering for trade the very items that could maintain world security While Pakow leads his fleet in defence of Earth Stanzi must take charge of the battle against Zondex's remaining super Guards who are trying to take over the world independently of their creator Meanwhile the inhabitants of Earth's one functioning town have scattered in evacuation unaware of the danger of one small ship that slips through Pakow's defences in search of a piece of technology with a value the custodians can hardly guess at *The 12th Planet (Book I)* Zecharia Sitchin, 1991-05-01 Over the years startling evidence has been unearthed challenging established notions of the origins of Earth and life on it and suggesting the existence of a superior race of beings who once inhabited our world The product of thirty years of intensive research *The 12th Planet* is the first book in Zecharia Sitchin's prophetic Earth Chronicles series a revolutionary body of work that offers indisputable documentary proof of humanity's extraterrestrial forefathers Travelers from the stars they arrived eons ago and planted the genetic seed that would ultimately blossom into a remarkable species called Man *The 12th Planet* brings to life the Sumerian civilization presenting millennia old evidence of the existence of Nibiru the home planet of the Anunnaki and of the landings of the Anunnaki on Earth every 3 600 years and reveals a complete history of the solar system as told by these early visitors from another planet Zecharia Sitchin's Earth Chronicles series with millions of copies sold worldwide deal with the history and prehistory of Earth and humankind Each book in the series is based upon information written on clay tablets by the ancient civilizations of the Near East The series is offered here for the first time in highly readable hardbound collector's editions with enhanced maps and diagrams **The Smile** Vanda M Denton, 2016-12-31 She is a worthless worm whose fear filled painful degrading and dehumanising life is to her only right and seemly until the day she is stolen away from her home Only then does Abrin's Wife slowly come to realise the injustice of the misogynistic life she was born into Ultimately as a young mother she has one desire One fight And for that she discovers an inner strength she'd been unaware of owning *The Vincetalin Legacy Retaliation: Book 6 The Veekeren Element* Vanda Denton, 2015-09-27 The glorious Emperor ex slave to the Vincetalin could prove to be their one enemy capable of destroying them And he does not think small Believing he has the means to save humanity to say nothing of wreaking vengeance on his evil tormentors Pakow Lam Fellen leads an attack on the Vincetalin Home World Only the raving traumatised psychiatrist can see the flaw in his plan because only he has come to understand the nature of the beasts The retaliatory strike on the Vincetalin increases hugely in complexity and scale and horror as a simple surgical strike turns into a mass attack on a number of solar systems **Cacodaemus: A Guy Edrich story** Vanda Denton, Tom Denton, 2018-05-19 They came to this world from another realm with the sole purpose

of making humans good Once here they dwelt amongst the natives in various ancient societies until they found satisfaction and like minds with the Cathars of southern France Thus they adopted much from the Cathar lifestyle as ascetics Credentes and Parfaits Once labelled as saints and their works miracles they turned their skills to more mundane matters Centuries of this pedestrian lifestyle left them ill equipped for dealing with the only enemy aware of their existence in the modern world When hell came to earth it was a man they rejected Guy Edrich a half breed they judged unworthy of them who became the only capable defender of humankind [The Book of All Books](#) John Warchelak,2013-07-09 This realistic amazing story is about the lost TRUE STORIES of our world It brings the greatest events on earth from our ancient Bible to our lost stories of today and gives us a FUTURE EVENT this is where our story starts Four friends are camping as an angel guide gives them the book made by the creator of our Universe This book is far more than just a book its an energy ORB that connects to the mind of GOD it has all the secrets of the Universe in it and much much more so as the four friends find out they have unimaginable mission to get earth ready for GOD who is coming to earth GOD asks the leaders of our word to make a choice This choice is to save our SUN our stars from an Evil Army who is pulling the energy from our Universe to build a new one MAXIMUS ALEXANDER is leading GOD S army the saga starts **The Vinctalin Legacy Survival: Book 3 Spawning**

Vanda Denton,2015-09-27 It is not by accident or inefficiency that there always are a number of survivors of a Vinctalin harvest And it is not only the Vinctalin who can make use of them Saved by Mettle the remaining humans of the world are being gathered into a secure haven but for what real purpose Questions and resentment abound as the increasing population is forced to aid in the never ending fight against the Vinctalin But it is only at the release of the magnificent alien Emperor that Jonathan s suspicions are confirmed and he begins to understand just how dirty the tactics of the Disciples have become
