The Politics Of Love Christian Classics:

The Politics of Love Michael Cassidy, 1991 [Lincoln and the Politics of Christian Love](#) Grant N. Havers, 2009-11-13
America has seen faith based initiatives and the audacity of hope in twenty first century politics but few participants in our political scene have invoked the other Christian virtue of charity as a guiding principle Abraham Lincoln extolled the merit of loving thy neighbor as thyself especially as a critique of the hypocrisy of slavery but a discussion of Christian love is noticeably absent from today's debates about religion and democracy In this provocative book Grant Havers argues that charity is a central tenet of what Lincoln once called America's political religion He explores the implications of making Christian love the highest moral standard for American democracy showing how Lincoln's legacy demands that a true democracy be charitable toward all and that only a people who lived according to such ideals could succeed in building democracy as Lincoln understood it Havers argues that it is simplistic to conflate Lincoln's invocation of with charity for all with his abiding support for the ideal of human equality The ethic of charity in his view also brought a uniquely Christian realism to the universalism of democracy He also describes how since World War I intellectuals and political leaders have denied that there exists a necessary relation between democracy and Christian love proposing that democracy is sufficiently ethical without reliance on a specific religious tradition Today's neoconservatives and liberals instead posit a universal yearning for democracy that requires no foundation in the ethic of charity Havers shows that this democratic universalism espoused by those who believe a chosen people should uphold the natural rights of humanity is alien to the sober thought of both the founders and Lincoln This carefully argued work defends Lincoln's understanding of charity as essential to democracy while emphasizing the difficulty of fusing this ethic with the desire to spread democracy to people who do not share America's Christian heritage In considering the prospect of America's leaders rediscovering a moral foreign policy based on charity rather than the costly idolization of democracy *Lincoln and the Politics of Christian Love* makes a timely contribution to the wider debate over both the meaning of religion in American politics and the mission of America in the world and opens a new window on Lincoln's lasting legacy [Classical Christianity and the Political Order](#) Ernest L. Fortin, 1996-11-21 In Volume Two of Ernest Fortin Collected Essays Fortin deals with the relationship between religion and civil society in a Christian context that of an essentially nonpolitical but by no means entirely otherworldly religion many of whose teachings were thought to be fundamentally at odds with the duties of citizenship Sections focus upon Augustine and Aquinas on Christianity and politics natural law natural rights and social justice and Leo Strauss and the revival of classical political philosophy Fortin's treatment of these and related themes betrays a keen awareness of one of the significant intellectual events of our time the recovery of political philosophy as a legitimate academic discipline [The Imitation of Christ: A Timeless Christian Classic on Following Jesus by Thomas à Kempis — Modern Translation by William C. Creasy](#) Thomas à Kempis, 2017-08-11 What would Jesus do That's the primary question Thomas Kempis answers in his universally

acclaimed work *The Imitation of Christ* In 114 short chapters organized into four simple parts this handbook on the spiritual life offers guidance on dozens of topics such as resisting temptation avoiding hasty judgments putting up with others faults remembering God s many blessings self surrender minding our own business and performing humble works William Creasy succeeds in creating a dramatically different interpretation of *The Imitation of Christ* by working through its historical cultural and linguistic contexts This book inspired the likes of St Thomas More St Ignatius of Loyola Th r se of Lisieux Dorothy Day and Thomas Merton Along with such classics as Augustine s *Confessions* Teresa of Avila s *Interior Castle* and Ignatius s *Spiritual Exercises* *The Imitation of Christ* continues to confront each generation of readers with the perennial truths of the Gospel

Recovering the Love Feast Paul Fike Stutzman, 2011-01-01 What is a Love Feast How did the early church celebrate the Love Feast How might Christians today celebrate the Love Feast In *Recovering the Love Feast* Paul Stutzman addresses these questions offering a unique blend of liturgical history and practical theology Part I outlines the history of the Love Feast noting its prevalence in early church worship its gradual decline and its reemergence in the practices of several Pietist groups e g the Moravians Methodists and Brethren Particular focus is given to five elements of the celebration that is eucharistic preparation footwashing the fellowship meal the holy kiss and the Eucharist proper In Part II Stutzman argues that the Love Feast is a valuable Christian practice and a celebration worth recovering in those traditions that may have forgotten the feast Rather than prescribing a specific method for celebrating the Love Feast Stutzman proposes that there are five key disciplines that today's Love Feasts should embody submission love confession reconciliation and thanksgiving This book encourages Christians from a range of traditions to experiment with reclaiming the Love Feast with the hope that each celebration serves as an act of worship to God and an authentic expression of Christian discipleship

The Politics Of Love Christian Classics Introduction

In today's digital age, the availability of The Politics Of Love Christian Classics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Politics Of Love Christian Classics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Politics Of Love Christian Classics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Politics Of Love Christian Classics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Politics Of Love Christian Classics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Politics Of Love Christian Classics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Politics Of Love Christian Classics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Politics Of Love Christian Classics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Politics Of Love Christian Classics books and manuals for download and embark on your journey of knowledge?
