

The Politics Of Privacy

Donald A. Marchand

The Politics Of Privacy:

The Politics of Privacy James B. Rule, 1980 *Domestic Violence and the Politics of Privacy* Kristin Anne Kelly, 2003
Argues that understanding resistance to countermeasures against domestic violence requires recognizing the tension within liberalism between preserving the privacy of the family and protecting vulnerable individuals back cover **Gender Regimes and the Politics of Privacy** Kalpana Kannabiran, Swethaa S. Ballakrishnen, 2021-10-15 In 2017 an all male nine judge bench of the Indian Supreme Court delivered the landmark Justice K S Puttaswamy Ors v Union of India judgment on privacy In this book the authors look at the embodiment of privacy in the judgment to examine the ways in which the bench articulated the question of gender They argue that while Puttaswamy has been central in clarifying the extent of and extensions to the right to privacy as a fundamental right the discourse on this has long existed in India in various gendered social movements policy making around women s rights feminist historiography and discourses on the family sexual rights autonomy and choice in and outside courts dignity and critiques of surveillance and provides an important context within which the judgment becomes especially relevant The authors unpack the underlying logics of the right to privacy within the default prism of the notional identity of the normative household and offer an entry point to re read existing jurisprudence on rape sexual assault sexual harassment atrocity and sexual violence and humiliation under conditions of mass violence They suggest a springboard for the possibility of theorizing personhood within the right to privacy arguing that while the judgment sets up radical precedent on the questions of sexual minorities it remains trapped in a reductionist reading of the female body within heteronormativity **Privacy and the Politics of Intimate Life** Patricia Boling, 2019-05-15 Patricia Boling investigates the implications of privacy for feminist theory and legal philosophy examining issues rooted in intimate life which have broad public impact She draws on Hannah Arendt s work and ordinary language analysis to identify confusions in the way we think about public and private She then uses the insights she has developed to illuminate issues in contemporary politics such as the problem of transforming private identities into political ones in the outing of lesbians and gay men Another such issue is the relevance of the private experience of nurturing small children to the political activity of the citizen Evenly divided between theoretical and issue oriented discussion this book makes clear the practical stakes in both the distinction and the connection between private and public Boling considers how to translate private experience into public claims with regard to such contentious issues as shared parenting abortion funding fetal abuse sodomy laws and parental consent for minors seeking abortions She also analyzes the application of privacy in landmark legal cases including *Roe v Wade* *Bowers v Hardwick* and *Planned Parenthood v Casey* **The Politics of Privacy, Computers, and Criminal Justice Records** Donald A. Marchand, 1980 This book examines the social costs incurred by the use of computerized information recordkeeping systems in criminal justice agencies Also addressed is the interaction between technology and politics in other relevant areas of policymaking **The Politics of Privacy** Patricia Ann Boling, 1984 **Notions of Privacy at Early**

Modern European Courts Dustin M. Neighbors, Lars Cyril Nørgaard, Elena Woodacre, 2025-10-01 Grand extravagant magnificent scandalous corrupt political personal fractious these are terms often associated with the medieval and early modern courts Moreover the court constituted a forceful nexus in the social world which was central to the legitimacy and authority of rulership As such courts shaped European politics and culture architecture art fashion patronage and cultural exchanges were integral to the spectacle of European courts Researchers have convincingly emphasised the public nature of courtly events procedures and ceremonies Nevertheless court life also involved pockets of privacy which have yet to be systematically addressed This edited collection addresses this lacuna and offers interpretations that urge us to reassess the public nature of European courts Thus the proposed publication will fertilise the grounds for a discussion of the past and future of court studies Indeed the contributions make us reconsider present day understandings of privacy as a stable and uncontestable notion

The Politics of Privacy, Computers, and Criminal Justice Records Donald A. Marchand, 1980 This book examines the social costs incurred by the use of computerized information recordkeeping systems in criminal justice agencies Also addressed is the interaction between technology and politics in other relevant areas of policymaking

The Right to Privacy in the Light of Media Convergence - Dieter Dörr, Russell L. Weaver, 2012-05-29 The rapid change of the culture of communication constantly poses new threats for the right to privacy These do not only emanate from States but also from private actors The global network of digital information has turned the protection of privacy since a long time into an international challenge In this arena national legal systems and their underlying common values collide This collection convenes contributions from European Australian and US experts They take on the challenge of providing an intercontinental analysis of the issue and answer the question how the right to privacy could be defended in future

Human Rights in the Global Information Society Rikke Frank Jørgensen, 2006-06-16 Papers originally presented at the World Summit on the Information Society November 2005

As recognized, adventure as skillfully as experience just about lesson, amusement, as well as arrangement can be gotten by just checking out a ebook **The Politics Of Privacy** as well as it is not directly done, you could acknowledge even more in relation to this life, in relation to the world.

We allow you this proper as with ease as simple quirk to get those all. We give The Politics Of Privacy and numerous books collections from fictions to scientific research in any way. in the midst of them is this The Politics Of Privacy that can be your partner.
