The Portrait of a Lady Henry James,2018-07-30 The Portrait of a Lady is considered one of Henry James best works and it was his first large commercial success The book was published in serial installments simultaneously in MacMillan s Magazine in England and the Atlantic Up until this point James had not made much money from his writing although his novel The American was relatively successful He was able to negotiate good terms for The Portrait of a Lady and thus to make quite a bit of money from the novel **The Portrait of a Lady (with an Introduction by Charles R. Anderson)**

Henry James,2018-04 First published serially in The Atlantic Monthly between 1880 and 1881 Henry James The Portrait of a Lady is widely regarded as one of the author s finest literary achievements As is common with James work a contrast is drawn between the cultural and social differences between America and Europe through the portrayal of American expatriates in Europe The titular lady in question is that of Isabel Archer a spirited young American woman who inherits a large sum of money and subsequently falls prey to the machinations of individuals trying to gain control of her fortune The fiercely independent Isabel is set upon fully enjoying her fortune by travelling the European continent While she had previously rejected two marriage proposals she is taken with an American expatriate Gilbert Osmond while visiting Florence and decides to accept his matrimonial offer Marital bliss quickly turns to unhappiness when the two settle in Rome and Isabel realizes Gilbert s overwhelming egotism and lack of genuine affection for her One of James most enduringly popular works The Portrait of a Lady is heralded as a classic of the modern era This edition is printed on premium acid free paper and includes an introduction by Charles R Anderson *The Portrait of a Lady* Henry James,2009-04-09 One ought to choose something very deliberately and be faithful to that Isabel Archer is a young intelligent and spirited American girl determined to relish her first experience of Europe She rejects two eligible suitors in her fervent commitment to liberty and independence declaring that she will never marry Thanks to the generosity of her devoted cousin Ralph she is free to make her own choice about her destiny Yet in the intoxicating worlds of Paris Florence and Rome her fond illusions of self reliance are twisted by the machinations of her friends and apparent allies What had seemed to be a vista of infinite promise steadily closes around her and becomes instead a house of suffocation Considered by many as one of the finest novels in the English language this is Henry James s most poised achievement written at the height of his fame in 1881 It is at once a dramatic Victorian tale of betrayal and a wholly modern psychological study of a woman caught in a web of relations she only comes to

understand too late This edition reproduces the revised New York Edition with James's own Preface ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more The Portrait of a Lady: Annotated and Illustrated Henry

James, 2020-03-11 THE PORTRAIT OF A LADY INTRODUCTION The Portrait of a Lady is recognized as one of the greatest of the many great works of Henry James Why Well there are the obvious answers the novel which was released in installments in the Atlantic Monthly magazine in 1880 was an instant hit critics then and now praise its attention to psychological detail and realistic situations It is widely acknowledged to be the masterpiece of James's early period and is still one of his top selling novels according to Amazon.com sales Then there are the more intimate reasons The characters are in a word unforgettable It's easy to find yourself deeply involved in a personal relationship with Isabel or Ralph or to imagine yourself confronting Madame Merle or Osmond The novel's characters so brim with life they seem like they can step off the page and into our lives James's vibrant living breathing microcosm of society still feels like an incredible achievement and it's what keeps this novel feeling so contemporary and compulsively readable WHAT IS THE PORTRAIT OF A LADY ABOUT AND WHY SHOULD I CARE OK we know that The Portrait of a Lady has already been translated to the screen at least twice but get this what if we made a weekly TV show based on it Yeah you heard us Come on it'll be so popular We'll find a gorgeous young group of unknowns to play our gorgeous young main characters and an unusually attractive moderately recognizable cast of thirty somethings to play our so called older characters that way we can snag the teenage through early thirties demographics Awesome Then we'll update it to the modern day which means that we can totally get the whole fashion industry in on the fun we'll create a really catchy quirky but accessible look for Isabel so that pretty soon every girl in America between the ages of eleven and thirty five will want to have all the same clothes Isabel wears even if they're totally ridiculous Which they will be The name We're glad you asked So Portrait of a Lady The Show just doesn't cut it right We thought we'd try and come up with something a little more edgy a little more 2000s and less 1880s then we had the genius idea that maybe our narrator will introduce every episode and that narrator will be Henry James That way we'll hopefully rope in the literature fan demographic too You laugh but they're out there There are tons of them We swear Anyhow the name As I was saying Henry James himself will be our narrator yes we're aware that he's been dead since 1916 thank you OK an actor portraying Henry James will be our narrator and he'll comment upon what happens in the story every week in a snarky charmingly comical yet somewhat ominous way You know like James actually does in the book except maybe in blog form like he's writing for some website instead of the Atlantic Monthly And we'll get some great brand recognition from him signing off the same way every episode Speaking of which there's nothing sexy about xoxo Henry James right We were

thinking he could have a kind of mysterious alter ego you know a catchy nickname We've come up with a little something that we think is pretty awesome Gossip Guy What What do you mean it's already taken Huh This is an original idea James came up with this story before television was even invented What are you thinking of Gossip What Gossip Girl Ah Oh yeah Um hmm Well thanks for your time Now hopefully this pitch isn't actually happening in a TV production company somewhere in southern California but let's learn an important lesson from it anyway you see kids long before Serena van der Woodsen and her glamorous leggy companions graced the small screen Henry James had already figured out one of the great marketing schemes of literature audiences just go gaga over the lives of the rich beautiful and eccentric The Portrait of a Lady
