The Power Of Place Urban Landscapes As Public History:

The Power of Place Dolores Hayden, 1997-02-24 Based on her extensive experience in the urban communities of Los Angeles historian and architect Dolores Hayden proposes new perspectives on gender race and ethnicity to broaden the practice of public history and public art enlarge urban preservation and reorient the writing of urban history to spatial struggles In the first part of *The Power of Place* Hayden outlines the elements of a social history of urban space to connect people's lives and livelihoods to the urban landscape as it changes over time She then explores how communities and professionals can tap the power of historic urban landscapes to nurture public memory The second part documents a decade of research and practice by *The Power of Place* a nonprofit organization Hayden founded in downtown Los Angeles Through public meetings walking tours artists's books and permanent public sculpture as well as architectural preservation teams of historians designers planners and artists worked together to understand preserve and commemorate urban landscape history as African American Latina and Asian American families have experienced it One project celebrates the urban homestead of Biddy Mason an African American ex slave and midwife active between 1856 and 1891 Another reinterprets the Embassy Theater where Rose Pesotta Luisa Moreno and Josefina Fierro de Bright organized Latina dressmakers and cannery workers in the 1930s and 1940s A third chapter tells the story of a historic district where Japanese American family businesses flourished from the 1890s to the 1940s Each project deals with bitter memories slavery repatriation internment but shows how citizens survived and persevered to build an urban life for themselves their families and their communities Drawing on many similar efforts around the United States from New York to Charleston Seattle to Cincinnati Hayden finds a broad new movement across urban preservation public history and public art to accept American diversity at the heart of the vernacular urban landscape She provides dozens of models for creative urban history projects in cities and towns across the country

The Power of Place Professor Dolores Hayden, 2014-05-14 Based on her extensive experience in the urban communities of Los Angeles historian and architect Dolores Hayden proposes new perspectives on gender race and ethnicity to broaden the practice of public history and public art enlarge urban preservation and reorient the writing of urban history to spatial struggles In the first part of *The Power of Place* Hayden outlines the elements of a social history of urban space to connect people's lives and livelihoods to the urban landscape as it changes over time She then explores how communities and professionals can tap the power of historic urban landscapes to nurture public memory The second part documents a decade of research and practice by *The Power of Place* a nonprofit organization Hayden founded in downtown Los Angeles Through public meetings walking tours artist's books and permanent public sculpture as well as architectural preservation teams of historians designers planners and artists worked together to understand preserve and commemorate urban landscape history as African American Latino and Asian American families have experienced it *The power of place* Dolores Hayden, 1995

Public History Thomas Cauvin, 2016-05-20 Public History A Textbook of Practice is a guide to the many challenges

historians face while teaching learning and practicing public history Historians can play a dynamic and essential role in contributing to public understanding of the past and those who work in historic preservation in museums and archives in government agencies as consultants as oral historians or who manage crowdsourcing projects need very specific skills This book links theory and practice and provides students and practitioners with the tools to do public history in a wide range of settings The text engages throughout with key issues such as public participation digital tools and media and the internationalization of public history Part One focuses on public history sources and offers an overview of the creation collection management and preservation of public history materials archives material culture oral materials or digital sources Chapters cover sites and institutions such as archival repositories and museums historic buildings and structures and different practices such as collection management preservation archives objects sounds moving images buildings sites and landscape oral history and genealogy Part Two deals with the different ways in which public historians can produce historical narratives through different media including exhibitions film writing and digital tools The last part explores the challenges and ethical issues that public historians will encounter when working with different communities and institutions Either in public history methods courses or as a resource for practicing public historians this book lays the groundwork for making meaningful connections between historical sources and popular audiences

Public History Faye Sayer, 2019-01-24 The 2nd edition of *Public History A Practical Guide* provides a fresh examination of history as practiced in its various worldly guises and contexts It analyses the many skills that historians require in the practice of public history and looks at how a range of actors including museums archives government agencies community history societies and the media digital media make history accessible to a wider audience in a variety of ways Faye Sayer's exciting new edition includes Brand new chapters on Restoration and Preservation and history and the working world Substantial additions covering the growing fields of digital history and history in politics More images figures and international case studies from the US Australia the UK Europe and Asia Personal Reflection sections from a range of industry experts from around the world Historiographical updates and significant revisions throughout the text Expanded online Public History Toolkit resource with a range of new features *Public History A Practical Guide* delivers a comprehensive outline of this increasingly prevalent area of the discipline offering a distinctly global approach that is both accessible and engaging in equal measure Finally it explores future methodological possibilities and can be used as a reference point for professional development planning in the sectors discussed This is the essential overview for any student wanting to know what history means beyond the classroom

The Oxford Handbook of Asian American History David K. Yoo, Eiichiro Azuma, 2016-01-04 After emerging from the tumult of social movements of the 1960s and 1970s the field of Asian American studies has enjoyed rapid and extraordinary growth Nonetheless many aspects of Asian American history still remain open to debate The *Oxford Handbook of Asian American History* offers the first comprehensive commentary on the state of the field simultaneously assessing where Asian American

studies came from and what the future holds In this volume thirty leading scholars offer original essays on a wide range of topics The chapters trace Asian American history from the beginning of the migration flows toward the Pacific Islands and the American continent to Japanese American incarceration and Asian American participation in World War II from the experience of exclusion violence and racism to the social and political activism of the late twentieth century The authors explore many of the key aspects of the Asian American experience including politics economy intellectual life the arts education religion labor gender family urban development and legal history The Oxford Handbook of Asian American History demonstrates how the roots of Asian American history are linked to visions of a nation marked by justice and equity and to a deep effort to participate in a global project aimed at liberation The contributors to this volume attest to the ongoing importance of these ideals showing how the mass politics creative expressions and the imagination that emerged during the 1960s are still relevant today It is an unprecedentedly detailed portrait of Asian Americans and how they have helped change the face of the United States

A People's Guide to Los Angeles Laura Pulido, Laura Barraclough, Wendy Cheng, 2012-04-23 This book documents 115 little known sites in Los Angeles where struggles related to race class gender sexuality and the environment have occurred They introduce us to people and events usually ignored by mainstream media and in the process create a fresh history of Los Angeles

Theorizing The Southeast Asian City As Text: Urban Landscapes, Cultural Documents, And Interpretative Experiences Robbie B H Goh, Brenda S A Yeoh, 2003-05-20 Theorizing the Southeast Asian City as Text examines the ways in which culture ethnicity languages traditions governance policies and histories interplay in the creation of the urban experiences in contemporary Southeast Asian cities It focuses on the ways in which urban spatial forms are textual experiences subject to interpretative strategies and the influence of other discourses In addition it also analyzes the experiences of modernization in such cities but also in terms of the strategies of containment refurbishment and loss which this has occasioned

Public History and Culture in South Africa Ali Khangela Hlongwane, Sifiso Mxolisi Ndlovu, 2019-04-11 The post apartheid era in South Africa has in the space of nearly two decades experienced a massive memory boom manifest in a plethora of new memorials and museums and in the renaming of streets buildings cities and more across the country This memorialisation is intricately linked to questions of power liberation and public history in the making and remaking of the South African nation Ali Khangela Hlongwane and Sifiso Mxolisi Ndlovu analyse an array of these liberation heritage sites including the Hector Pieterse Memorial and Museum the June 16 1976 Interpretation Centre the Apartheid Museum and the Mandela House Museum foregrounding the work of migrant workers architects visual artists and activists in the practice of memorialisation As they argue memorialisation has been integral to the process of state and nation formation from the pre colonial era through the present day

Monumental cares Mechtild Widrich, 2023-01-31 Monumental cares rethinks monument debates site specificity and art activism in light of problems that strike us as monumental or overwhelming such as war migration and the climate crisis The book shows how artists address these issues

from Chicago and Berlin to Oslo Bucharest and Hong Kong in media ranging from marble and glass to postcards graffiti and re enactment A multidirectional theory of site does justice to specific places but also to how far away audiences see them What emerges is a new ethics of care in public art combined with a passionate engagement with reality harking back to the realist aesthetics of the nineteenth century Familiar questions can be answered anew what to do with monuments particularly when they are the products of terror and require removal modification or recontextualisation And can art address the monumental concerns of our present
