*Modern HISTORY: OR THE PRESENT STATE OF ALL NATIONS. DESCRIBING Their Respective Situations, Persons, Habits, Buildings, Manners, Laws and Customs, Religion and Policy, Arts and Sciences, Trades, Manufactures and Husbandry, Plants, Animals and Minerals* Thomas Salmon,1739      **Transactions and Collections of the American Antiquarian Society** Anonymous,2023-09-27 Reprint of the original first published in 1874      The History of Printing in America Isaiah Thomas,2023-09-28 Reprint of the original first published in 1874      **The Name of War** Jill Lepore,1999-04-27 BANCROFF PRIZE WINNER King Philip s War the excruciating racial war colonists against Indigenous peoples that erupted in New England in 1675 was in proportion to population the bloodiest in American history Some even argued that the massacres and outrages on both sides were too horrific to deserve the name of a war The war s brutality compelled the colonists to defend themselves against accusations that they had become savages But Jill Lepore makes clear that it was after the war and because of it that the boundaries between cultures hitherto blurred turned into rigid ones King Philip s War became one of the most written about wars in our history and Lepore argues that the words strengthened and hardened feelings that in turn strengthened and hardened the enmity between Indigenous peoples and Anglos Telling the story of what may have been the bitterest of American conflicts and its reverberations over the centuries Lepore has enabled us to see how the ways in which we remember past events are as important in their effect on our history as were the events themselves      Catalogue of the Private Library of the Late John K.
