Secret Societies of America's Elite Steven Sora,2003-02-24

An expose of the dark and critical role secret societies play within the ruling families in America and their influence on American democracy current events and world history Reveals the enormous influence secret societies still have on contemporary American life Shows how the secret Masonic cells that smuggled in the democratic ideals inspiring the American Revolution also enabled the future elite of the new society to build huge fortunes Elite and secret societies have always been a major force in the history of Western civilization The alliances formed in secret societies such as the Knights Templar the Knights of Christ and the Freemasons transcended patriotism and religious beliefs and had a powerful influence on the establishment of the United States of America While these secret associations of merchants smugglers occultists gamblers spies and slavers succeeded in freeing the United States from foreign domination the dark side is that the elite used their secret connections to further their own wealth and power These secret cells did not hesitate to sponsor the assassination of a president and even attempted to break up the union on several occasions when it was deemed expedient From the Sons of Liberty and the Essex Junto to the Ku Klux Klan secret societies have played critical roles in building the fortunes of America s elite Now Steven Sora reveals in alarming detail how secretive societies continue to wield power even today as organizations such as Yale s Skull Bones unite America s modern ruling families as strongly as Masonic Lodges once connected the Astors Livingstons and Roosevelts Their immense power and wealth allow this elite to control America to an even greater degree than the Templars once dominated Europe *The Publishers Weekly* ,2001

Literature Connections to American History K6 Lynda G. Adamson,1997-09-15 Identifying thousands of historical fiction novels biographies history trade books CD ROMs and videotapes this book helps you locate resources on American history for students Each book presents information in two sections In the first part titles are listed according to grade levels within eras and further organized according to product type The books cover American history from North America Before 1600 and The American Colonies 1600 1774 to The Mid Twentieth Century 1946 1975 and Since 1975 The second section has annotated bibliographies that describe each title and includes publication information and awards won The focus is on books published since 1990 and all have received at least one favorable review Some books with more illustration than text will be valuable for enticing slow or reticent readers An index helps users find resources by author

title or biographical subject **The Budget of the United States Government** United States. Office of Management and Budget,2015 **United States Congressional Serial Set, Serial No. 14884, House Document No. 146, V. 2** ,2004-02
 Budget of the United States Government Fiscal Year 2005 Appendix contains detailed information on the various appropriations and funds that constitute the budget and is designed primarily for the use of the Appropriations Committee The Appendix contains more detailed financial information on individual programs and appropriation accounts than any of the other budget documents It includes for each agency the proposed text of appropriations language budget schedules for each account new legislative proposals explanations of the work to be performed and the funds needed and proposed general provisions applicable to the appropriations of entire agencies or group of agencies Information is also provided on certain activities whose outlays are not part of the budget totals *Reagan's Secret War* Martin Anderson,Annelise Anderson,2010-07-13 On February 6 1981 at his first National Security Council meeting Ronald Reagan told his advisers I will make the decisions As Reagan s Secret War reveals these words provide the touchstone for understanding the extraordinary accomplishments of the Reagan administration including the decisive events that led to the end of the Cold War In penning this book New York Times bestselling authors Martin Anderson and Annelise Anderson drew upon their unprecedented access to more than eight million highly classified documents housed within the Ronald Reagan Presidential Library in Simi Valley California unseen by the public until now Using his top secret clearances Martin Anderson was able to access Ronald Reagan s most privileged exchanges with subordinates and world leaders as well as the tactical record of how Reagan fought to win the Cold War and control nuclear weapons The most revelatory of these documents are the minutes of Reagan chaired National Security Council meetings the dozens of secret letters sent by Reagan to world leaders and the eyewitness notes from Reagan Gorbachev summits Along with these findings the authors use Reagan s speeches radio addresses personal diaries and other correspondence to develop a striking picture of a man whose incisive intelligence uncanny instincts and quiet self confidence changed the course of history What emerges from this treasure trove of material is irrefutable evidence that Reagan intended from his first days in office to bring down the Soviet Union that he considered eliminating nuclear weapons his paramount objective and that he not his subordinates was the principal architect of the policies that ultimately brought the Soviets to the nuclear arms negotiating table The authors also affirm that many of Reagan s ideas including his controversial Star Wars missile defense initiative proved essential in dissolving the Soviet Union and keeping America safe Riveting and eye opening Reagan s Secret War provides a front row seat to history a journey into the political mind of a remarkable leader and proof that one man can through the force of his deep convictions bring about sweeping global change *Budget of the United States Government* United States. Office of Management and Budget,2000 *Sermons and Addresses on Secret Societies* Lebbeus Armstrong,1882 Secrets Daniel Ellsberg,2003-09-30 The true story of the leaking of the Pentagon Papers the event which inspired Steven Spielberg s feature film The Post In 1971 former

Cold War hard liner Daniel Ellsberg made history by releasing the Pentagon Papers a 7 000 page top secret study of U S decision making in Vietnam to the New York Times and Washington Post The document set in motion a chain of events that ended not only the Nixon presidency but the Vietnam War In this remarkable memoir Ellsberg describes in dramatic detail the two years he spent in Vietnam as a U S State Department observer and how he came to risk his career and freedom to expose the deceptions and delusions that shaped three decades of American foreign policy The story of one man s exploration of conscience *Secrets* is also a portrait of America at a perilous crossroad Ellsberg s well told memoir sticks in the mind and will be a powerful testament for future students of a war that the United States should never have fought The Washington Post Ellsberg s deft critique of secrecy in government is an invaluable contribution to understanding one of our nation s darkest hours Theodore Roszak San Francisco Chronicle *Subject Catalog, 1981* Library of Congress,1981
