

A portrait of Sir H. Rider Haggard, a man with a dark beard and mustache, wearing a dark suit and tie. He is looking slightly to the left. The background is a solid red color. The title text is overlaid on the lower part of the portrait.

The Private Diaries of Sir H. Rider Haggard

1914-1925

Edited by
D.S. Higgins

The Private Diaries Of Sir H Rider Haggard 1914 1925

Henry Rider Haggard

The Private Diaries Of Sir H Rider Haggard 1914 1925:

The Private Diaries of Sir H. Rider Haggard, 1914-1925 Henry Rider Haggard, D. S. Higgins, 1980 The diaries of one of Britain's most successful authors comprise a revealing self portrait that yields much insight into the social upheavals that occurred in Britain between 1914 and 1925 *Private Diaries of Sir H. Rider Haggard, 1914-1925* D. S. Higgins, 1980

The Private Diaries of Sir H. Rider Haggard, 1914-1925 Henry Rider Haggard, 1980 J. F. Bosher, 2010-04 During the century 1850 1950 Vancouver Island attracted Imperial officers and other Imperials from India the British Isles and elsewhere in the Empire Victoria was the main British port on the north west Pacific Coast for forty years before the city of Vancouver was founded in 1886 to be the coastal terminus of the Canadian Pacific Railway These two coastal cities were historically and geographically different The Island joined Canada in 1871 and thirty five years later the Royal Navy withdrew from Esquimalt but Island communities did not lose their Imperial character until the 1950s P 4 of cover Rider Haggard and the Imperial Occult Simon Magus, 2021-12-06 In *Rider Haggard and the Imperial Occult* Simon Magus offers the first academic monograph on the world of occult thought which lies behind and beneath the fictional writing of H Rider Haggard It engages with a broad scope of religious philosophical and anthropological ideas Many of these were involved in debates within the controversies of the Anglican Church which occurred in the face of Darwinism and the criticism of the Bible The book follows three main intellectual currents involved in the promulgation of these ideas namely the reception of ancient Egypt the resurgence of Romanticism and the ideas of the Theosophical Society all couched within the context of Empire

Audiences Ian Christie, 2012 This timely volume engages with one of the most important shifts in recent film studies the turn away from text based analysis towards the viewer Historically this marks a return to early interest in the effect of film on the audience by psychoanalysts and psychologists which was overtaken by concern with the effects of film linked to calls for censorship and moral panics rather than to understanding the mental and behavioral world of the spectator Early cinema history has revealed the diversity of film viewing habits while traditional box office studies which treated the audience initially as a homogeneous market have been replaced by the study of individual consumers and their motivations Latterly there has been a marked turn towards more sophisticated economic and sociological analysis of attendance data And as the film experience fragments across multiple formats the perceptual and cognitive experience of the individual viewer who is also an auditor has become increasingly accessible With contributions from Gregory Waller John Sedgwick and Martin Barker this work spans the spectrum of contemporary audience studies revealing work being done on local non theatrical and live digital transmission audiences and on the relative attraction of large scale domestic and mobile platforms Publisher's website **Emigrants and empire** Stephen Constantine, 2021-06-15 Professor Drummond's two pioneering studies *British Economic Policy and the Empire 1919 1939 1972* and *Imperial Economic Policy 1917 1939 1974* helped to revive interest in Empire migration and other aspects of inter war imperial economic history This book concentrates upon the attempts to

promote state assisted migration in the post First World War period particularly associated with the Empire Settlement Act of 1922 It examines the background to these new emigration experiments the development of plans for both individual and family migration as well as the specific schemes for the settlement of ex servicemen and of women Varying degrees of encouragement acquiescence and resistance with which they were received in the dominions are discussed After the First World War there was a striking reorientation of state policy on emigration from the United Kingdom A state assisted emigration scheme for ex servicemen and ex servicewomen operating from 1919 to 1922 was followed by an Empire Settlement Act passed in 1922 This made significant British state funding available for assisted emigration and overseas land settlement in British Empire countries Foremost amongst the achievements of the high minded imperial projects was the free passage scheme for ex servicemen and women which operated between 1919 and 1922 under the auspices of the Oversea Settlement Committee Cheap passages were considered as one of the prime factors in stimulating the flow of migration particularly in the case of single women The research represented here makes a significant contribution to the social histories of these states as well as of the United Kingdom **The Lotus and the Lion** J. Jeffrey Franklin, 2011-03-15

Buddhism is indisputably gaining prominence in the West as is evidenced by the growth of Buddhist practice within many traditions and keen interest in meditation and mindfulness In *The Lotus and the Lion* J. Jeffrey Franklin traces the historical and cultural origins of Western Buddhism showing that the British Empire was a primary engine for curiosity about and then engagement with the Buddhisms that the British encountered in India and elsewhere in Asia As a result Victorian and Edwardian England witnessed the emergence of comparative religious scholarship with a focus on Buddhism the appearance of Buddhist characters and concepts in literary works the publication of hundreds of articles on Buddhism in popular and intellectual periodicals and the dawning of syncretic religions that incorporated elements derived from Buddhism In this fascinating book Franklin analyzes responses to and constructions of Buddhism by popular novelists and poets early scholars of religion inventors of new religions social theorists and philosophers and a host of social and religious commentators Examining the work of figures ranging from Rudyard Kipling and D H Lawrence to H P Blavatsky Thomas Henry Huxley and F Max Müller Franklin provides insight into cultural upheavals that continue to reverberate into our own time Those include the violent intermixing of cultures brought about by imperialism and colonial occupation the trauma and self reflection that occur when a Christian culture comes face to face with another religion and the debate between spiritualism and materialism *The Lotus and the Lion* demonstrates that the nineteenth century encounter with Buddhism subtly but profoundly changed Western civilization forever *Christmas and the British: A Modern History* Martin Johnes, 2016-10-06 The modern Christmas was made by the Victorians and rooted in their belief in commerce family and religion Their rituals and traditions persist to the present day but the festival has also been changed by growing affluence shifting family structures greater expectations of happiness and material comfort technological developments and falling religious belief Christmas became a

battleground for arguments over consumerism holiday entitlements social obligations communal behaviour and the influence of church state and media Even in private it encouraged reflection on social change and the march of time Amongst those unhappy at the state of the world or their own lives Christmas could induce much cynicism and even loathing but for a quieter majority it was a happy time a moment of a joy in a sometimes difficult world that made the festival more than just an integral feature of the calendar Christmas was one of British culture s emotional high points Moreover it was also a testimony to the enduring importance of family shared values and a common culture in the UK Martin Johnes shows how Christmas and its traditions have been lived adapted and thought about in Britain since 1914 Christmas and the British is about the festival s social cultural and economic functions and its often forgotten status as both the most unusual and important day of the year

FOREIGN VOICES Bernard Botes Krüger, 2013-09-13 Today s fiction is increasingly populated by multilingual urban societies in all their rich cultural variety contends Bernard Botes Kr ger making a persuasive case that readers need to hear authentic sounding dialogue from the mouths of foreign language characters something which mere translations into standard English can never adequately accomplish The concept of foreign language dialogue in fiction is not new many accomplished authors of the past have used a variety of subtle techniques to help their readers understand instances of foreign dialogue However those techinues have never been thoroughly isolated and examined until now Using Britain s Colonial Era literature as a starting point in this work the author discusses and systematically catagorizes every type of device used in the past assembling in the process a veritable toolbox of techniques which aspiring writers can implement to enrich their multilingual dialogue

Enjoying the Melody of Expression: An Emotional Symphony within **The Private Diaries Of Sir H Rider Haggard 1914 1925**

In some sort of taken by displays and the ceaseless chatter of immediate conversation, the melodic splendor and emotional symphony developed by the published term usually fade into the back ground, eclipsed by the persistent sound and interruptions that permeate our lives. But, nestled within the pages of **The Private Diaries Of Sir H Rider Haggard 1914 1925** a stunning fictional value overflowing with organic feelings, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, this fascinating masterpiece conducts readers on an emotional journey, skillfully unraveling the concealed songs and profound affect resonating within each cautiously crafted phrase. Within the depths of this touching review, we can explore the book is central harmonies, analyze their enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
