The Arthritis Cure Jason Theodosakis, Sheila Buff, Brenda Adderly, Barry Fox, 2004-01-05 Since its original publication in 1996, *The Arthritis Cure* has swept the nation providing amazing relief for the millions who suffer chronic arthritis pain. By outlining a nine point program that includes a new effective supplement, ASU, *The Arthritis Cure Revised Edition* describes a program that can halt reverse and possibly even cure degenerative osteoarthritis. The Vitamin Cure for Arthritis Robert G. Smith, Ph.D., Todd Penberthy, 2015-01-01 The general explanation for the cause of arthritis is that over time our joints simply wear out; that is, the cartilage that lubricates the ends of the bones simply gets worn thinner and thinner until one bone wears directly on another, causing pain and lowering our quality of life. It stands to reason that wear and tear is responsible for some of the damage. It is considered a progressive disease meaning that once the symptoms are diagnosed, they tend to get worse. Yet arthritis can be reversed. The process of degradation and regrowth in a joint is a dynamic process that continues throughout life. Arthritis results when the joint does not recover from damage.

Most people may not realise it but they have a direct influence on the current and future health of their joints through their nutritional behaviour. With the proper knowledge we can prevent degeneration from taking hold by improving our body's regeneration processes. This book offers natural weapons we can use to defend and protect our joints from the destructive effects of poor nutrition and time. This clear readable book describes the composition of joints and how they work within the body, how normal healthy joints are supported and what can go wrong. It describes the degenerative diseases that affect joints and explains the basis of orthomolecular natural megavitamin medicine from a scientific perspective. There are several types of arthritis but they all involve degeneration of the joints and tissues surrounding them. This book covers the different types including Osteoarthritis OA, Rheumatoid arthritis RA, Gout, Arthritis caused by infections or inflammation such as Borreliosis, Lyme Disease, fibromyalgia and psoriasis. And more. THE VITAMIN CURE FOR ARTHRITIS explains each form of arthritis and current and new medical treatments for them. More importantly it describes the nutritional approach to help sufferers prevent further progress of the disease and even reverse it.

Arthritis Cure Theodosakis, 1997-12-01 [The Best of Health](#) Sheldon Zerden, 2004. Fraudulent Medical and Insurance Promotions United States. Congress. House. Select Committee on Aging. Subcommittee on Health and Long-Term Care, 1983.

Indicted! James Henderson, 2009-02. In what promises to be the trial of the century, attorney turned author James Henderson indicts the medical industrial cartel now dominating modern drug-based medicine for trading the health of millions of Americans for dollars. In the brilliant and intriguing setting of a jury trial, the author enrolls We the People of America into a vast national jury to pass judgment on modern pharmaceutical medicine for cunningly treating chronic degenerative diseases like heart disease, cancer, and diabetes—America's leading killers—by merely seeking to manage the symptoms of these diseases, not even attempting to cure them. Drug-based medicine has become big business. It thrives on sickness. It dares not cure the patient or the money pipe line dries up. The price tag: Over two trillion dollars annually and climbing. And America is getting sicker by the day. Author James Henderson offers the proven testimonies of eminent nutritional physicians and medical geniuses who have turned their backs on this criminal monopoly. These brave souls have risked their careers to blow the whistle on the drugging of America. In this court of public opinion, if we the jury cannot discern the truth, what hope is there for justice? Or for medical freedom in America? Will We the People make a decision before it's too late? Read Indicted and decide for yourself.
