Welcome 2 Houston Langston Collin Wilkins, 2023-08-01 Langston Collin Wilkins returns to the city where he grew up to illuminate the complex relationship between place identity and music in Houston's hip hop culture. Interviews with local rap artists, producers, and managers inform an exploration of how artists, audiences, music, and place interact to create a heritage that musicians negotiate in a variety of ways. Street-based musicians, avant-garde underground rappers, and Christian artists offer candid views of the scene while Wilkins delves into related aspects like the area's hip hop-related car culture. What emerges is a portrait of a dynamic reciprocal process where an artist having identified with and embodied a social space reproduces that space in a performance even as the performance reconstructs the social space. A vivid journey through a southern hip hop bastion, **Welcome 2 Houston** offers readers an inside look at a unique musical culture. **Pacific Coast Musical Review**, 1920
