How a Film Theory Got Lost and Other Mysteries in Cultural Studies Robert B. Ray, 2001-04-22 He is a member of *The Vulgar Boatmen* whose records include *You and Your Sister Please Panic* and *Opposite Sex Contents* Foreword by James Naremore Impressionism Surrealism and Film Theory Path Dependence or How a Tradition in Film Theory Gets Lost The Bordwell Regime and the Stakes of Knowledge Snapshots The Beginnings of Photography Tracking How to Start and Avant Garde How to Teach Cultural Studies The Best Way to Understand Postmodernism The Mystery of Edward Hopper Film and Literature Conclusion *American Jewish Year Book, 1996.*, 1995 The Library owns the volumes of the *American Jewish Yearbook* from 1899 current [Goodbye Cinema, Hello Cinephilia](#) Jonathan Rosenbaum, 2010-10-15 The esteemed film critic Jonathan Rosenbaum has brought global cinema to American audiences for the last four decades His incisive writings on individual filmmakers define film culture as a diverse and ever evolving practice unpredictable yet subject to analyses just as diversified as his own discriminating tastes For Rosenbaum there is no high or low cinema only more interesting or less interesting films and the pieces collected here from an appreciation of Marilyn Monroe's intelligence to a classic discussion on and with Jean Luc Godard amply testify to his broad intellect and multi faceted talent *Goodbye Cinema Hello Cinephilia* gathers together over fifty examples of Rosenbaum's criticism from the past four decades each of which demonstrates his passion for the way we view movies as well as how we write about them Charting our changing concerns with the interconnected issues that surround video DVDs the Internet and new media the writings collected here also highlight

Rosenbaum's polemics concerning the digital age. From the rediscovery and recirculation of classic films to the social and aesthetic impact of technological changes, Rosenbaum doesn't disappoint in assembling a magisterial cast of little-known filmmakers as well as the familiar faces and iconic names that have helped to define our era. As we move into this new decade of moviegoing, one in which Hollywood will continue to feel the shockwaves of the digital age, Jonathan Rosenbaum remains a valuable guide. *Goodbye Cinema Hello Cinephilia* is a consummate collection of his work, not simply for fans of this seminal critic but for all those open to the wide variety of films he embraces and helps us to elucidate. [The Digital Age Detective](#) Brendan Riley, 2017-07-05

Imagining the figure of the fictional detective as an archetype in the study of modern culture, the author argues that contemporary detective fiction can help us better comprehend fundamental shifts of the Digital Age in communication, family, entertainment, society, even the way we think as individuals. The nature of the detective story itself models how we build and share knowledge. Drawing on concepts from literature and media studies, the author reveals clues about modern phenomena like conspiracy theory, groupthink, and the nature of our digital identities. [More Than Night](#) James Naremore, 2008-01-14

Supplies the first study of film noir that achieves the sort of intellectual seriousness, depth of research, degree of critical insight, and level of writing that this group of films deserves. Tom Gunning, *Modernism and Modernity* [Cult Film as a Guide to Life](#) I.Q. Hunter, 2016-09-08

Cult Film as a Guide to Life investigates the world and experience of cult films, from well-loved classics to the worst movies ever made. Including comprehensive studies of cult phenomena such as trash films, exploitation, versions, cult adaptations, and case studies of movies as different as *Showgirls*, *Room 237*, and *The Lord of the G Strings*, this lively, provocative, and original book shows why cult films may just be the perfect guide to making sense of the contemporary world. Using his expertise in two fields, I.Q. Hunter also explores the important overlap between cult film and adaptation studies. He argues that adaptation studies could learn a great deal from cult and fan studies about the importance of audiences' emotional investment, not only in texts but also in the relationships between them, and how such bonds of caring are structured over time. The book's emergent theme is cult film as lived experience. With reference mostly to American cinema, Hunter explores how cultists, with their powerful emotional investment in films, care for them over time and across numerous intertexts in relationships of memory, nostalgia, and anticipation. [The Structure of Complex Images](#) Robert B. Ray, 2020-05-09

After over a century of existence, the cinema still has its mysteries. Why, for example, is the job we call movie stardom unlike any other in the world? How do films provide so much unconcealed information that we fail to notice? What makes it hard to define what counts as acting? How do movies like *Casablanca* and *Breathless* store the film and world histories of their generations? How can we reconcile auteurism's celebration of the movie director's authority with the camera's automatism? Why have the last four decades of film criticism so often neglected such questions? After beginning with an overview of film studies, this book proposes a shift from predictable theoretical approaches to models that acknowledge the perplexities and mysteries of the movies. Deriving methods from cinephilia, Wittgenstein

Richard Rorty Stanley Cavell Eleanor Duckworth V F Perkins and James Naremore Robert B Ray offers close readings that call attention to what we have missed in such classic films as *La R gle du Jeu* *It Happened One Night* *It s a Wonderful Life* *Vertigo* *Holiday* *The Philadelphia Story* *Casablanca* *Breathless* and *Tickets*
