The Awakeners:

The Awakeners Sheri S. Tepper, 1994-07-15 The acclaimed author of Grass and A Plague of Angels takes readers to a world distant in time and space where the pace of life is counted by the tides of the great River but where there are swift undercurrents This magnificent novel was first published in two volumes Northshore and Southshore now **Southshore** Sheri S. Tepper, 1988 Pamra Don a member of the Awakeners rallies Northshore to confront the Protector of Man with the evil done in his name **The Iron Jackal** Chris Wooding, 2014-03-11 A big slice of non stop action packed wise cracking fun from the Ketty Jay and Captain Darien Frey Things are finally looking good for Captain Frey and his crew The Ketty Jay has been fixed up good as new They ve got their first taste of fortune and fame And just for once nobody is trying to kill them In fact she s offered them a job one that will take them deep into the desert heart of Samarla the land of their ancient enemies To a place where the secrets of the past lie in wait for the unwary Even Trinica Dracken Frey s ex fianc e and long time nemesis has given up her quest for revenge Secrets that might very well cost Frey everything Join the crew of the Ketty Jay on their greatest adventure yet a story of mayhem and mischief roof top chases and death defying races murderous daemons psychopathic golems and a particularly cranky cat This time Frey s in a race against the clock for the ultimate prize to save his own life **The Ace of Skulls: A Tale of the Ketty Jay** Chris Wooding, 2014-08-12 The intrepid crew of the Ketty Jay have been shot down set up double crossed and ripped off They ve stolen priceless treasures destroyed a 10 000 year old Azryx city and sort of accidentally blown up the son of the Archduke Now they ve gone and started a civil war This time they re really in trouble As Vardia descends into chaos Captain Darian Frey is doing his best to keep his crew out of it He s got his mind on other things not least the fate of Trinica Dracken But wars have a way of dragging people in and sooner or later they re going to have to pick a side It s a choice they ll be staking their lives on Cities fall and daemons rise Old secrets are uncovered and new threats revealed When the smoke clears who will be left standing **The Black Lung Captain** Chris Wooding, 2011-07-26 Chris Wooding author of the thrilling novel Retribution Falls returns to a fantastical world of spectacular sky battles and high flying heroics for another epic adventure Deep in the heart of the Kurg rainforest lies a long forgotten wreck On board behind a magically protected door an elusive treasure awaits Good thing Darian Frey captain of the airship Ketty Jay has the daemonist Crake on board Crake is their best chance of getting that door open if they can sober him up For a prize this enticing Frey is willing to brave the legendary monsters of the forbidding island and to ally himself with a partner who s even less trustworthy than he is But what s behind that door is not what any of the fortune hunters expect any more than they anticipate their fiercest competitor for the treasure a woman from Frey s past who also happens to be the most feared pirate in the skies *Seeing the Light* Thomas DeGloma, 2014-11-26 The chorus of the Christian hymn Amazing Grace reads I once was lost but now am found Was blind but now I see Composed by a minister who formerly worked as a slave trader the song expresses his experience of divine intervention that ultimately caused him to see the error

of his ways This theme of personal awakening is a feature of countless stories throughout history where the lost and the blind are saved from darkness and despair by suddenly seeing the light In *Seeing the Light* Thomas DeGloma explores such accounts of personal awakening in stories that range from the discovery of a religious truth to remembering a childhood trauma to embracing a new sexual orientation He reveals a common social pattern When people discover a life changing truth they typically ally with a new community Individuals then use these autobiographical stories to shape their stances on highly controversial issues such as childhood abuse war and patriotism political ideology human sexuality and religion Thus while such stories are seemingly very personal they also have a distinctly social nature Tracing a wide variety of narratives through nearly three thousand years of history *Seeing the Light* uncovers the common threads of such stories and reveals the crucial little recognized social logic of personal discovery religious of the past C.J. Bleeker,1988 **Historia**

Religionum, Volume 1 Religions of the Past Widengren,Bleeker,2023-09-20 **Inventing the "Great Awakening"**

Frank Lambert,2021-01-12 This book is a history of an astounding transatlantic phenomenon a popular evangelical revival known in America as the first Great Awakening 1735 1745 Beginning in the mid 1730s supporters and opponents of the revival commented on the extraordinary nature of what one observer called the great ado with its extemporaneous outdoor preaching newspaper publicity and rallies of up to 20 000 participants Frank Lambert biographer of Great Awakening leader George Whitefield offers an overview of this important episode and proposes a new explanation of its origins The Great Awakening however dramatic was nevertheless unnamed until after its occurrence and its leaders created no doctrine nor organizational structure that would result in a historical record That lack of documentation has allowed recent scholars to suggest that the movement was invented by nineteenth century historians Some specialists even think that it was wholly constructed by succeeding generations who retroactively linked sporadic happenings to fabricate an alleged historic development Challenging these interpretations Lambert nevertheless demonstrates that the Great Awakening was invented not by historians but by eighteenth century evangelicals who were skillful and enthusiastic religious promoters Reporting a dramatic meeting in one location in order to encourage gatherings in other places these men used commercial strategies and newly popular print media to build a revival one that they also believed to be an extraordinary work of God They saw a special meaning in contemporary events looking for a transatlantic pattern of revival and finding a motive for spiritual rebirth in what they viewed as a moral decline in colonial America and abroad By examining the texts that these preachers skillfully put together Lambert shows how they told and retold their revival account to themselves their followers and their opponents His inquiries depict revivals as cultural productions and yield fresh understandings of how believers spread the word with whatever technical and social methods seem the most effective **Historia Religionum, Volume 1 Religions of the Past** Claas Jouco Bleeker,Geo Widengren,1988
