The Aztec Empire:

Life in the Aztec Empire Claudia Oviedo, 2025-08 You are living long ago during the height of the Aztec Empire What was life like as a little priest or a traveling merchant Can you make a living as a tax collector in a conquered town Readers make the choices that determine their fates

Organization of the Aztec Empire Stanford Mc Krause, Aztec society was divided into twenty clans called calpulis where religion exerted a predominant influence which consisted of groups of people connected by kinship territorial divisions the invocation of a particular god and continuation of ancient families linked by a kinship bond biological and religious that derived from the cult of the titular god Each clan had lands a temple and a chief or calpullec They were divided into three classes Nobles ordinary people and slaves

The Aztec World Field Museum of Natural History, 2008-10 The Aztec World is an illustrated survey of the Aztecs based on insightful research by a team of international experts from the United States and Mexico In addition to traditional subjects like cosmology religion human sacrifice and political history this book covers such contemporary concerns as the environment and agriculture health and disease women and social status and urbanism It also discusses the effects of European conquests on Aztec culture and society in addition to offering modern perspectives on their civilization The text is accompanied by colorful illustrations and photos of artifacts from the best collections in Mexico including those of the Templo Mayor Museum and the National Museum of Anthropology both in Mexico City as well as pieces from archaeological sites and virtual reconstructions of lost artwork The book accompanies an exhibition at The Field Museum

The Ancient Culture of the Aztec Empire Jim Hollingsworth, 2021-04-13 Aztec Culture It was a culture like no other in North America Where other tribes were nomadic the Aztec built cities of thousands and suburbs with a large agriculture They had beautiful gardens with plants from all over their world Mexico was a city like no other paved streets stone buildings and large pyramids with temples on top It had a zoo and an aviary with many birds It had tanks with both fresh and saltwater for fish But it had no wagons and no beasts of burden Montezuma had subjected most all of the towns around many with several thousand Indians In the end this proved to be his undoing as these tribes after losing in battle quickly made league with the Spanish conquerors Yet for all their science their religion was totally barbaric They believed their god a white man would one day return which left them open to the Spanish conqueror Then they offered human sacrifices and even cannibalism a horrible practice They were a proud people in the end refusing to give up until many were dead from starvation The most advanced civilization in North America ultimately fell to the sword of the Spanish and the Conquest
