The Back Door:

The Backdoor Billionaire's Bride Roz Lee,2016-04-06 Ford Adams had led a charmed life but if he doesn't figure out how to make the equivalent of a silk purse out of a sow's ear and sell a boat load of them he and his mother might find themselves flipping burgers. Determined not to let that happen he'll need all the help he can get especially from his sexy new business partner. If he can get her to take a chance on his crazy new idea then maybe he can convince her to take a chance on him. Becky Jean Parker's life has been anything but what she'd imagined it would be but she'd been content until a recent turn of events once again left her no choice. Unless she wants to wallow in bankruptcy for the rest of her life she'll have to go along with her new business partner's insane plan and pray he knows what he's talking about. The only thing more insane than Ford's plan to sell sex toys is her attraction to him. Typical of her life she'd had no choice but to fall for the one man she can't have.

Learning at the Back Door Charles A. Wedemeyer,2010-06-01 Wedemeyer stresses that learning is a natural idiosyncratic and continually renewable human trait and survival resource. It is not dependent upon teaching, schooling, or special environments, although properly used these resources enhance learning. There is a powerful subculture of independent learners who are responsible for much of the real progress that has been made in most areas of endeavor. This book attempts to explain this kind of learning and relate it to schooling, suggesting ways in which all learning, whether traditional or non-traditional, can be encouraged and improved through new kinds of educational institutions and processes.

Hollywood Through the Back Door Michael St. John,2019-08-29 Hollywood Through the Backdoor uncovers the story of actor/writer/composer MICHAEL ST JOHN arriving in Hollywood with no great expectations, just to survive. It was a time when artists of color were forced to accept any kind of demeaning role in the business. When not in a class at U.S.C. Michael found on a film set observing and meeting stars or those who might make it happen for him. He pulled some outlandish stunts to get the job or part he wanted but managed to garner the respect of some of the most powerful people in the entertainment industry, i.e. Dan Dailey, Marlon Brando, Hedda Hopper, and so many other highly respected creative movers in the industry who held out their hand, giving him the necessary push needed. The Backdoor Hell Michael didn't care it was an entrance.
