The Bad Finger:

The Middle Finger Saikat Majumdar, 2022-02-01 Never afraid of taking risks Saikat Majumdar has taken his place as one of the most striking novelists writing today SHASHI DESHPANDE In prose of spare elegance and understated precision Saikat Majumdar explores an ethical conflict around mentorship as well as a welter of questions around creative compromise cultural privilege and entitlement including the insidious pressures on poets to be snarky and snappy Here is a storyteller whose language is writerly yet beautifully unmannered supple enough to combine irony with gentleness finely modulated observation with axiomatic ease ARUNDHATHI SUBRAMANIAM A novel of love and friendship pleasure pain and jealousy R RAJ RAO What are the ethical boundaries of friendship and intimacy between a student and a teacher Megha a young writing lecturer in New Jersey struggles to finish her thesis and find full time employment even as she begins to find underground fame as a poet Restless and disenchanted she lets her professor and friends persuade her to take up a position at a new university in Delhi Moving continents resettling in the city she knew as a teenager she discovers that the university is an island of wealth and privilege and that her mandate is to teach and train some of the key members of India's ruling class But her life as a teacher is disrupted as she makes a new friend who unsettles her and asks for unexpected support In sharp and lyrical prose The Middle Finger tells the story of a poet grappling with questions about mentorship and belonging disrupting boundaries set by society and the hierarchies hidden in the world of education **Badfinger on Track** Robert

Day-Webb, 2022-08-09 Generally regarded as one of the most tragic tales in the history of rock music the story of Badfinger makes for an impressively sombre Hollywood style film script A Welsh and Liverpoolian hybrid the band were signed to Apple Records became prot g s of The Beatles and produced four global hit singles Two of its members also co wrote the now perennial pop standard Without You covered most notably by Harry Nilsson Yet Badfinger found themselves plagued by ruinous misfortune and through a combination of unscrupulous business management record label neglect and just plain bad luck the dream soon lay in tatters with the band's story ultimately culminating in the suicides of two of its members Pete Ham and Tom Evans This book helps redress the band's legacy and refocuses some much needed attention on the brilliance of their music It casts a keen critical eye over their entire musical output albums and singles recorded and released during their lifetime This detailed and definitive guide not only examines and assesses the recordings but also provides valuable historical context for each album and while not ignoring the financial and legal issues that blighted the band this book ultimately focuses on Badfinger's considerable musical legacy Robert Day Webb graduated from the University of Birmingham and subsequently worked in the publishing industry for sixteen years undertaking a wide variety of editorial and writing roles A self confessed music movie and TV buff Robert has also had several personal reflection essays published in a number of music and TV related anthology books He currently lives in Gloucester UK with his wife Marie their two children Joshua and Lauren and an extremely oversized CD collection The Middle Finger Project Ash Ambirge, 2020-02-11 Fresh

funny and fearless The Middle Finger Project is a point by point primer on how to get unstuck slay imposter syndrome trust in your own worth and ability and become a strong capable wonderful weird brilliant ballsy unfuckwithable YOU Don t worry this isn t a book about God nor is it a book about Ryan Gosling second in command But it is a book about authority and becoming your own Ash Ambirge After a string of dead end jobs and a death in the family Ash Ambirge was down to her last 26 and sleeping in a Kmart parking lot when she faced the truth No one was coming to her rescue It was up to her to appoint herself That night led to what eventually became a six figure freelance career as a sought after marketing and copywriting consultant all while sipping coffee from her front porch in Costa Rica She then launched The Middle Finger Project a blog and online course hub which has provided tens of thousands of young women who disobey with the tools and mindset to give everyone else s expectations the finger and get on your own path to happiness wealth independence and adventure In her first book Ash draws on her unconventional personal story to offer a fun bracing and occasionally potty mouthed manifesto for the transformative power of radical self reliance Employing the signature wit and wordsmithing she s used to build an avid following she offers paradigm shifting advice along the lines of The best feeling in the world is knowing who you are and what you re capable of doing Life circumstances are not life sentences If a Scranton girl who grew up in a trailer park can make it so can you What you believe about yourself will either murder your chances or save your life So why not believe something good You don t need a high ranking job title to be authorized to contribute You just need to contribute Be your own authority Authority only works as long as you trust that someone smarter than you is making the rules The way you become a force is by being the most radically real version of yourself that you can be You only have 12 fucks a day to give so use them wisely *Without You* Dan Matovina,2000 Book and CD The story of Badfinger is among the most tragic in the history of rock n roll They were championed by the Beatles yet their two principal songwriters committed suicide An expose of the music business *Without You* also serves as a tribute to the band s work This revised edition includes a CD of over 72 minutes of music and interviews 300 photos complete listing of studio dates and concerts and a discography **Readings in the History of Music in Performance** Carol MacClintock,1979 extremely useful In MacClintock s selections even when the source is primarily theoretical she chooses passages that give a lively insight into actual music making A Continuo Readings on the performance of Western music from the late middle ages to the early nineteenth century describe the accepted conventions and actual practices of former times *Rehearsing the Middle School Orchestra* Sandy Goldie,2019-05-01 Meredith Music Resource In this highly informative compendium nationally renowned orchestra directors share their unique expertise concerning rehearsal philosophy intonation tone and bow control setup and fundamentals articulation planning warm ups recruiting community building and more These educators have honed their skills through years of experience and have inspired countless young musicians Each chapter presents their insights and individual approaches to developing musical excellence in their students As an added benefit the book includes lists of the authors favorite composers arrangers

and works for grades 1-4 **China Journal of Science and Arts**, 1928 *The Musician's Hand* Ian Winspur, Christopher B Wynn Parry, 2005-01-20 Clinical guide to special considerations necessary for managing treatment of musician patients For surgeon doctors therapists music teachers and musicians High quality halftone illustrations photographs and images *The Cambridge Companion to the Organ* Nicholas Thistlethwaite, Geoffrey Webber, 1999-03-04 This Companion is an essential guide to all aspects of the organ and its music It examines in turn the instrument the player and the repertoire The early chapters tell of the instrument's history and construction identify the scientific basis of its sounds and the development of its pitch and tuning examine the history of the organ case and consider the current trends and conflicts within the world of organ building Central chapters investigate the practical art of learning and playing the organ introduce the complex area of performance practice and outline the relationship between organ playing and the liturgy of the church The final section explores the vast repertoire of organ music focusing on a selection of the most important traditions **Johann Sebastian Bach's Art of Fugue** Ewald Demeyere, 2013 This book by a leading Bach performer is designed to provide a practical guide to the performance of the Art of Fugue
