# The Baseball Research Journal Vol 23

**Kostya Kennedy**

### **The Baseball Research Journal Vol 23:**

*Black Ball: A Negro Leagues Journal*, Vol. 7 Leslie A. Heaphy, 2015-01-09 BACK ISSUE Under the guidance of Leslie Heaphy and an editorial board of leading historians this peer reviewed annual book series offers new authoritative research on all subjects related to black baseball including the Negro major and minor leagues teams and players pre Negro League organization and play barnstorming segregation and integration class gender and ethnicity the business of black baseball and the arts Prior to Volume 9 Black Ball was published as Black Ball A Negro Leagues Journal This is a back issue of that journal

56 Kostya Kennedy, 2025-08-05 The era the ballplayer and the record are all laid out beautifully The tension of the times is matched by the pressure of the streak San Francisco Chronicle It was the baseball season of 1941 and with Babe Ruth retired and Lou Gehrig ailing the Yankees weren't playing like the Yankees anymore The team seemed vulnerable just like the rest of the world as war loomed and an American military draft seemed imminent Even Joe DiMaggio the Yankee Clipper himself was in a slump Then on a May afternoon at Yankee Stadium DiMaggio lined a hard single to left field It was the quiet beginning to the most resonant baseball achievement of all time Starting that day the vaunted Yankee center fielder kept on hitting at least one hit in game after game after game Even as apprehension about the nation's entry in the war intensified Americans found themselves captivated by DiMaggio's astonishing hitting streak In Kostya Kennedy's evocative account Joe DiMaggio comes alive as a twenty six year old on the brink of becoming the greatest baseball player of his time even as the spotlight on his celebrity and the public scrutiny that comes with it grows with each game Alongside the story of DiMaggio's dramatic feat Kennedy deftly examines the nature of hitting streaks and the sheer improbability of DiMaggio's which only heightens the magic of his stunning accomplishment one of the greatest sports records of all time The best baseball book in many a season Roger Kahn author of *The Boys of Summer* Kennedy combines the sweep of a historian the narrative power of a novelist and the passion of a fan Newsday

**A Game of Inches** Peter Morris, 2006-03-23 As befits a game traditionally passed from one generation to the next baseball has always had a special reverence for origins Claims of being first with any element of the game are disputed with fervor and passion When the octogenarian Fred Goldsmith died in 1939 a headline proclaimed Goldsmith Dies Insisting He Invented Curve Ball Fred Goldsmith understood the secret of immortality Yet while countless thousands of words have been spilled on the subject of baseball firsts there has been no definitive source for the settlement of disputes Peter Morris's endlessly fascinating *A Game of Inches* has now arrived to fill the void Impeccably researched and engagingly written this treasure trove will surprise delight and educate even the most knowledgeable fan by dispelling cherished myths and revealing the source of many of baseball's features that we now take for granted The scope of *A Game of Inches* is encyclopedic with nearly a thousand entries that illuminate the origins of items ranging from catchers masks to hook slides to intentional walks to cork center baseballs But this is much more than just a reference guide Award winning author Peter Morris explains the context that led each new item to emerge when it did and chronicles the often

surprising responses to these innovations Of few books can it genuinely be said that once you start reading it s hard to put it down but *A Game of Inches* is one of them It belongs in the pantheon of great baseball books and will give any reader a deeper appreciation of why baseball matters so much to Americans A companion volume *A Game of Inches The Game Behind the Scenes* was published in the fall of 2006 *Baseball Meets the Law* Ed Edmonds, Frank G. Houdek, 2017-03-04 Baseball and law have intersected since the primordial days In 1791 a Pittsfield Massachusetts ordinance prohibited ball playing near the town s meeting house Ball games on Sundays were barred by a Pennsylvania statute in 1794 In 2015 a federal court held that baseball s exemption from antitrust laws applied to franchise relocations Another court overturned the conviction of Barry Bonds for obstruction of justice A third denied a request by rooftop entrepreneurs to enjoin the construction of a massive video screen at Wrigley Field This exhaustive chronology traces the effects the law has had on the national pastime both pro and con on and off the field from the use of copyright to protect not only equipment but also *Take Me Out to the Ball Game* to frequent litigation between players and owners over contracts and the reserve clause The stories of lawyers like Kenesaw Mountain Landis and Branch Rickey are entertainingly instructive **Baseball and the Bottom Line in World War II** Jeff Obermeyer, 2013-07-30 How did the business of professional baseball fare during World War II The sport like many nonessential industries struggled to find its place in society during a time of war The men who ran the game faced government interference and manpower shortages that threatened to shut down their businesses for the duration and they had to balance the need to show a patriotic front to the public while at the same time protecting their investments Archival and primary sources provide insight into the perceptions of the major league owners and an understanding of how most of them were able to keep their businesses profitable while the nation fought an enormous two front war **Baseball's Longest Games** Philip J. Lowry, 2010-04-23 Baseball is the only major team sport that doesn t feature a clock and there s a familiar saying among fans that as long as outs remain the game can theoretically go on forever Every now and again it nearly does as author Phil Lowry demonstrates The product of more than four decades of research this book catalogs baseball games from around the world and throughout history that lasted 20 or more innings stretched five or more hours or ended after 1 00 am Lowry also examines probability models to predict how often games of unusual length will occur

*Baseball State by State* Chris Jensen, 2012-08-09 Offering a fresh approach to the familiar concept of all time baseball teams this exhaustive work ranks more than 2 500 players by state of birth and includes both major league and Negro League athletes Each chapter covers one state and opens with the all time team naming a top selection for each position followed by honorable mentions Also included are all time stat leaders in nine categories games hits average RBI home runs stolen bases pitching wins strikeouts and saves a brief overview of the state s baseball history notable player achievements historic baseball places to see potential future stars a comprehensive list of player nicknames and the state s all time best player *Eyes on the Sporting Scene, 1870-1930* Pamela A. Bakker, 2013-03-04 Helms Hall of Fame s brothers William M

and Andrew B June Rankin lived exciting lives covering sports for papers like the New York Sunday Mercury New York Herald New York World Brooklyn Daily Eagle and New York Clipper from 1870 to 1930 Playing for amateur and semiprofessional Rockland County N Y clubs in the mid 1860s through early 1870s the brothers developed into baseball writers and editors Often working with Henry Chadwick called the Father of Baseball the brothers became authorities on the sport writing histories of clubs and players and scoring for the early New York and Brooklyn clubs June went on to cover boxing as it transitioned into a gentlemen s sport football as it emerged on college campuses and golf through the formative years of the USGA and PGA He also wrote two baseball books Filled with sporting details this book sets the brothers into a period of great changes in the world of American sports **Baseball Visions of the Roaring Twenties** George E. Outland, John W. Outland, 2009-08-11 From 1921 through 1930 a young George E Outland who would go on to be a Yale Ph D and become a professor and United States Congressman documented his love for baseball by arriving early at major league and Pacific Coast League ballgames armed with his camera and an album of his own photographs He used his photographs to gain access to some of the greatest players and ballparks of his era Collected here are more than 400 of Outland s photographs from the twenties along with the stories of the ballplayers and ballparks depicted **Negro Leaguers and the Hall of Fame** Steven R. Greenes, 2020-09-15 Since 1971 35 Negro League baseball players and executives have been admitted to the Hall of Fame The Negro League Hall of Fame admissions process which has now been conducted in four phases over a 50 year period can be characterized as idiosyncratic at best Drawing on baseball analytics and surveys of both Negro League historians and veterans this book presents an historical overview of NLHOF voting with an evaluation of whether the 35 NL players selected were the best choices Using modern metrics such as Wins Above Replacement WAR 24 additional Negro Leaguers are identified who have Hall of Fame qualifications Brief biographies are included for HOF quality players and executives who have been passed over along with reasons why they may have been excluded A proposal is set forth for a consistent and orderly HOF voting process for the Negro Leagues

## The Enigmatic Realm of **The Baseball Research Journal Vol 23**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **The Baseball Research Journal Vol 23** a literary masterpiece penned by a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those who partake in its reading experience.
