**The Community and the Social Worker** Phillip Fellin,1995      Social Work and the Community Keith Popple,Paul Stepney,2008-07-15 How important is the notion of community to skilled social work This book explores how the concept relates to policy theory and professional practice With analysis of contemporary social problems throughout a variety of community settings this book demonstrates how important community based approaches are to all social workers today

**Social Work in the Community** Barbra Teater,Mark Baldwin,2012-05-23 Social work in the community offers practice guidance to students practice assessors and practitioners within a political theoretical methodological and ethical framework The book is written from an experiential learning perspective encouraging the reader not only to understand the ideas and methods but to test them out in their own practice which additionally provides an element of problem based learning The book is written within the framework of the practice curriculum for the social work degree including the National Occupational Standards and an extended statement of values for practice This will enable students to use the book to make sense of their practice in relation to the knowledge skills and values of social work practice in its community context

*Gerontological Social Work Practice in the Community* George S. Getzel,M. Joanna Mellor,1985 Here is an extremely useful book one which will help social workers understand the needs of special populations of older people the nature of practices in the community and some of the policy and practice issues which they confront in their work      **Theory and**

**Practice of Community Social Work** Samuel H. Taylor,Robert W. Roberts,1985      **Community Social Work Practice in an Urban Context** Melvin Delgado,1999-09-16 Community social work practice based on a capacity enhancement model offers tremendous potential for unifying communities consisting of groups from very different cultural backgrounds and in the process of doing so make physical changes in the community Community Social Work Practice in An Urban Context aims to teach graduate students with an emphasis on community and urban social work how to create positive community environments in marginalized urban based communities The use of murals gardens playgrounds and sculptures for example provide social workers with an opportunity to identify engage and plan services with communities These projects in turn are based upon a community s strengths and represent an effort at developing a community s capacity to help itself with assistance from professionals

**Community Practice** David A. Hardcastle,2011-02-18 For almost two decades Community Practice has been a definitive text for social workers community practitioners and students eager to help individuals contribute to and use community resources or work to change oppressive community structures In this third edition a wealth of new charts and cases spotlight the linkages between theoretical orientations and practical skills with an enhanced emphasis on the inherently political nature of social work and community practice Boxes examples and exercises illustrate the range of skills and strategies available to savvy community practitioners in the 21st century including networking marketing and staging political advocacy and leveraging information and communication technologies Other features include

New material on community practice ethics critical practice skills community assessment and assets inventory and mapping social problem analysis and applying community practice skills to casework practice Consideration of post 9 11 community challenges Discussion on the changing ethnic composition of America and what this means for practitioners An exploration of a vastly changed political landscape following the election of President Obama the Great Recession the rise of the Tea Party and the increasing political and corporate use of pseudo grassroots endeavors A completely revamped instructor's manual available online at [www.oup.com/us/communitypractice](http://www.oup.com/us/communitypractice) This fully revised classic text provides a comprehensive and integrated overview of the community theory and skills fundamental to all areas of social work practice Broad in scope and intensive in analysis it is suitable for undergraduate as well as graduate study Community Practice offers students and practitioners the tools necessary to promote the welfare of individuals and communities by tapping into the ecological foundations of community and social work practice

**A Practical Guide to Community Social Work Practice in the UK** Colin Turbett, 2024-09-03 There has been a rebirth of interest in bringing community back into social work but what does community social work mean when applied to practice What are the opportunities in a landscape dominated by shrinking budgets with their attendant procedural and risk obsessed assessment and care management models In this accessibly written book Colin Turbett explores the erratic history of community social work He goes on to demonstrate through contemporary examples how this preventative and relationship based model can work for the individuals and communities served and also provide an answer to the recruitment and retention issues adversely affecting mainstream settings

Asset Assessments and Community Social Work Practice Melvin Delgado, Denise Humm-Delgado, 2013-01-18 Needs assessments identify the needs for services answering questions about who needs these services and in what priority Asset assessments focuses on existing resources combining both needs and asset assessments helps find the gaps in these services and is useful to organizations and communities Assets assessments differ dramatically from their needs assessments counterparts along a variety of key dimensions Asset assessments generally attempt to

- 1 focus on capacities rather than problems
- 2 actively seek community participation and develop collaborative partnerships
- 3 seek to tap and enhance community competencies
- 4 seek to equalize power between residents and professionals
- 5 be proactive rather than reactive to problems
- 6 stress community contributions and ownership of the process and are thus empowerment driven
