The Compact Handbook Of New Testament Life:

The Compact Handbook of New Testament Life E. M. Blaiklock, 1979 *A Book of Evidence* Nancy L. Kuehl, 2013-03-08
Jesus was a Jew living in a Jewish culture and under Jewish laws that governed the people of Israel at a time of conflict with their Roman overlords. *A Book of Evidence* takes into consideration the history of first century Jerusalem and is a unique presentation of the passion event written from a Jewish legal standpoint. Find out why and how Jesus came to trial, how the politics of the age and a corrupt government played a role in bringing him to death. An examination of the numerous crimes of which Jesus was accused results in a reasonable explanation of the real blasphemy that caused him to be executed and an investigation into crucifixion as it was known during first century Jewish law. Was the Jewish trial legal? Was it a trial at all? Was there a Roman trial or a simple hearing? Where was the real execution site and burial tomb? All these questions are answered in this gripping book. Follow step by step along the path of Jesus during the Passover from the Garden of Gethsemane through the trials to the brutality of the execution and on to the garden tomb at Bethphage from which he was resurrected.

miracles and hearing firsthand the words that fell from his lips However Jesus miracles and teachings brewed tension between Jesus and the religious leaders of Israel Jesus is pushed to the point of no return at seeing corruption in the Temple Likewise Jesus actions at Passover became the final straw for the Pharisees and Sadducees and spiraled into a conspiracy of murder
