David Colclough

The Complete English Poems Of John Donne:

The Complete English Poems John Donne,2004-06-24 No poet has been more wilfully contradictory than John Donne whose works forge unforgettable connections between extremes of passion and mental energy From satire to tender elegy from sacred devotion to lust he conveys an astonishing range of emotions and poetic moods Constant in his work however is an intensity of feeling and expression and complexity of argument that is as evident in religious meditations such as Good Friday 1613 Riding Westward as it is in secular love poems such as The Sun Rising or The Flea The intricacy and subtlety of his imagination are the length and depth of the furrow made by his passion wrote Yeats pinpointing the unique genius of a poet who combined ardour and intellect in equal measure

The Complete English Poems [of] John Donne John Donne,1971

The Complete English Poems of John Donne John Donne, 1991-10-15 The magnificent Seventeenth Century metaphysical poet John Donne created new forms of lyric satire erotic poems and religious verse that left poetry in English forever changed From his famously sensual love poems to his equally passionate and powerful Holy Sonnets Donne s forceful language and ingenious wit encompass a remarkable range of tones His poetry reflects every stage of his personal development from the piratical Jack Donne who sailed with Sir Walter Ralegh against the Spaniards and spent riotous nights in the London streets to the penitent John Donne who became Dean of St Paul's and the most celebrated preacher of his age His independence of view compact manner of expressing conflicting moods impassioned paradoxes and outbreakes of cynicism and wry humor make his work particularly appealing to modern readers This edition compiled and introduced by C A Patrides is recognized as the most complete and scholarly one volume collection of Donne's Complete English Poems available Introduction by C A Patrides The Complete Poems of John Donne Robin Robbins, 2014-06-06 The Poems of John Donne is one volume paperback edition of the poems of John Donne 1572 1631 based on a comprehensive re evaluation of his work from composition to circulation and reception Donne's output is tremendously varied in style and form and demonstrates his ability to exercise his rhetorical capabilities according to context and occasion This edition aims to present the text of all his known poems from the epigrams songs and satires written for fellow young men about town to the more mature verse epistles and memorial elegies written for his patrons The Longman Annotated English Poets series traditionally aims to present poems in chronological order in this edition however the principle has been observed only within generic sections This organisation reproduces the manner in which Donne's original readers first encountered the poems in the various manuscripts of his elegies and satires that circulated in Donne's lifetime Volume One contains the Epigrams Verse Letters to Friends Love Lyrics Love Elegies and Satires Volume Two contains the religious poems Wedding Celebrations Verse Epistles to Patronesses Commemorations and the Anniversaries The lyrics have been arranged alphabetically for ease of reference and because in all but a few cases precise date of composition is impossible to determine Each poem has extensive editorial commentary designed to put the twenty first century reader in possession of all that is necessary fully to

appreciate Donne s work A substantial headnote sets each poem in its historical and literary context while the annotations give detailed guidance on the wealth of classical and religious allusions and give full representation to the literary historical and philosophical culture out of which the poems grew In keeping with the traditions of the series Donne's own text has been modernised in punctuation and spelling except where to do so would alter or disrupt a rhyme The Complete English **Poems** George Herbert, 2004-10-07 George Herbert combined the intellectual and the spiritual the humble and the divine to create some of the most moving devotional poetry in the English language His deceptively simple verse uses the ingenious arguments typical of seventeenth century metaphysical poets and unusual imagery drawn from musical structures the natural world and domestic activity to explore a mosaic of Biblical themes From the wit and wordplay of The Pulley and the formal experimentation of Easter Wings and Paradise to the intense highly personal relationship between man and God portrayed in The Collar and Redemption the works collected here show the transcendental power of divine love Donne John Donne, 1986 **The Complete English Poems** John Donne, 1977-08-25 The first poet in the world in some things is how John Donne was described by his contemporary Ben Jonson Yet it is only this century that Donne has been indisputably established as a great poet and even many feel the greatest love poet of them all Jonson went on to remark that That Donne for not keeping of an accent deserved hanging yet Donne's rhythms once thought unmusical are now recognized as the natural rhythms of the speaking voice his eccentricity as a complex self doubt his obscurity the reflection of a brilliantly learned and allusive mind Poets such as Eliot and Empson have found Donne's poetry profoundly attuned to our modern age while Yeats glowing comment will always be true the intricacy and subtlety of his imagination are the length and depth of the furrow made by his passion This volume superbly edited by Professor Smith is the first complete edition to make a serious attempt to guide the reader closely through the complexities of Donne's poetry Considerable attention has been paid to the text and a selection of the important manuscript variants are included This edition is also the first to make use of the newly discovered manuscript of the verse letter to Lady Carey and Mistress Essex Rich For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators Complete English Poems John Donne, 1996-01 The Complete English Poems John Donne, 1971 The Complete Poems of John Donne John Donne, 2017-08-25 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United

States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Variorum Edition of the Poetry of John Donne: The epigrams, epithalamions, epitaphs, inscriptions, and miscellaneous poems John Donne, 1995 Based on an exhaustive study of the manuscript and print history of Donne's poetry this edition presents newly edited critical texts of the poems and a comprehensive digest of the critical scholarly commentary on them from Donne s time forward Textual introductions briefly locate the poems in the context of Donne s life or poetic development outline the 17th century textual history of the poems and sketch the treatment of the text by modern editors A detailed textual apparatus presents variants collated from many sources and traces the lines of textual transmission Provided **Selected Poems: Donne** John Donne, 2006-05-25 Regarded by many as the greatest of the Metaphysical by publisher poets John Donne 1572 1631 was also among the most intriguing figures of the Elizabethan age A sensualist who composed erotic and playful love poetry in his youth he was raised a Catholic but later became one of the most admired Protestant preachers of his time The Selected Poems reflects this wide diversity and includes his youthful Songs and Sonnets epigrams elegies letters satires and the profoundly moving Divine Poems composed towards the end of his life From joyful poems such as The Flea which transforms the image of a louse into something marvellous to the intimate and intense Holy Sonnets Donne breathed new vigour into poetry by drawing lucid and often startling metaphors from the world in which he lived His poems remain among the most passionate profound and spiritual in the English language The Variorum Edition of the Poetry of John Donne, Volume 2 John Donne, Gary A. Stringer, 2000 Based on an exhaustive study of the manuscript and print history of Donne's poetry this edition presents newly edited critical texts of the poems and a comprehensive digest of the critical scholarly commentary on them from Donne s time forward Textual introductions briefly locate the poems in the context of Donne's life or poetic development outline the 17th century textual history of the poems and sketch the treatment of the text by modern editors A detailed textual apparatus presents variants collated from many sources and traces the lines of textual transmission Provided by publisher The Variorum Edition of the Poetry of John Donne, Volume 6 John Donne, 1995 Based on an exhaustive study of the manuscript and print history of Donne's poetry this edition presents newly edited critical texts of the poems and a comprehensive digest of the critical scholarly commentary on them from Donne s time forward Textual introductions briefly locate the poems in the context of Donne's life or poetic development outline the 17th century textual history of the poems and sketch the treatment of the text by modern editors A detailed textual apparatus presents variants collated from many sources and traces the lines of textual transmission Provided by publisher The Complete

Poetry and Selected Prose of John Donne John Donne, 2000-11-01 This Modern Library edition contains all of John Donne s great metaphysical love poetry Here are such well known songs and sonnets as A Valediction Forbidding Mourning The Extasie and A Nocturnall Upon S Lucies Day along with the love elegies Jealosie His Parting From Her and To His Mistris Going to Bed Presented as well are Donne s satires epigrams verse letters and holy sonnets along with his most ambitious and important poems the Anniversaries In addition there is a generous sampling of Donne's prose including many of his private letters Ignatius His Conclave a satiric onslaught on the Jesuits excerpts from Biathanatos his celebrated defense of suicide and his most famous sermons concluding with the final Death's Duell We have only to read Donne wrote Virginia Woolf to submit to the sound of that passionate and penetrating voice and his figure rises again across the waste of the years more erect more imperious more inscrutable than any of his time Returning to John Donne Achsah Guibbory, 2016-03-23 Collected in this volume are Achsah Guibbory's most important and frequently cited essays on Donne which taken together present her distinctive and evolving vision of the poet The book includes an original substantive introduction as well as new essays on the Devotions upon Emergent Occasions the Songs and Sonnets and the subject of Donne and toleration Over the course of her career Guibbory has asked different questions about Donne but has always been concerned with recovering multiple historical and cultural contexts and locating Donne's writing in relation to them In the essays here she reads Donne within various contexts the early modern thinking about time and history religious attitudes towards sexuality the politics of early modern England religious conflicts within the church While her approach has always been historicist she has also foregrounded Donne's distinctiveness showing how and why he continues to speak powerfully to us now Presented together here with reflections on the trajectory of her engagement with Donne Achsah Guibbory illuminates Donne's understanding that erotic spiritual and political issues are often intertwined and reveals how this understanding resonates in our own times

strong argument for the importance of Donne's professional writings to our understanding of his oeuvre and of the cultureof late sixteenth and early seventeenth century England Studying in depth his remarkable use of a wide range of terms and even whole vocabularies legal theological and medical among others it shows how Donne moulded his identity as a professional intellectual with the languages that were at hand A tightly focussed series of essays by scholars of international reputation and younger experts in the field John Donne's Professional Lives contains new discoveries and fresh interpretations It offers a revisionist interpretation of Donne's career and makes a polemical case for studying the full range of his writings Contributors JAMES CANNON DAVID CUNNINGTON LOUISA KNAFLA PETER MCCULLOUGH JESSICA MARTIN JEREMY MAULE MARY MORRISSEY STEPHEN PENDER JEANNE SHAMI ALISON SHELL JOHANN P SOMMERVILLE DAVID COLCLOUGH is a lecturer at Queen Mary University of London Post-closet Masculinities in Early Modern England Andrew William Barnes, 2009 Post Closet Masculinities in Early Modern England argues for a theory of male subjectivity that subordinates questions of desire beneath the historical imperatives that inform those desires Employing a post closet identity theory this book argues that writers like John Donne William Shakespeare and George Herbert created an ideology of masculinity in conjunction with and in response to the great epistemological upheavals in early modern England Donne Shakespeare and Herbert helped to create a masculinity that embodies an ironic subject position that is constantly shifting between men's desires for women and men's simultaneous rejection of women's bodies and the inevitable encounter with the figure of the sodomite that their rejection invites BOOK JACKET Gender and the Sacred Self in John Donne Elizabeth M. A. Hodgson, 1999 This first book length feminist study of Donne argues that his sacred subject position is ambivalently and illustratively invested in cultural archetypes of mothers daughters and brides The chapters focus on baptism marriage and death as key moments in Donne s and his culture s construction of the gendered soul
