**The Complete Guide to the Street Drug Game** Scott R French, 1976-01-01      [The Complete Guide to the Street Drug Game](#) Scott R. French, 1976      **The Pittsburgh Cocaine Seven** Aaron Skirboll, 2010-07-27 Major League Baseball has had its share of troubled times In terms of sheer dirt three scandals rise to the top Shoeless Joe and the Black Sox the 1985 Pittsburgh drug trials and the steroid era The former and latter have been covered extensively Yet there has never been a book detailing the biggest drug trials in baseball history The Pittsburgh Cocaine Seven tells the whole story in all its shocking details The MLB participants were among the game s elite as a virtual all star team had come to Pittsburgh Implicated as cocaine users Keith Hernandez Dave Parker Lee Mazzilli Dusty Baker Lonnie Smith Joaquin Andujar John Milner Dale Berra Mentioned as using amphetamines Willie Mays Willie Stargell But the guys who took the fall for these superstars were just average fans not heavy hitters or major drug dealers and this book reveals the often comic circumstances of how they set up deals and how they got busted In 1985 it seemed the league was poised to implement a drug testing policy for the players Obviously that didn t happen and because of this inaction the steroid era came along and with it all of the broken records that transformed the sport That s what makes this story so relevant today      **Can't Find My Way Home** Martin Torgoff, 2004-05-13 Can t Find My Way Home is a history of illicit drug use in America in the second half of the twentieth century and a personal journey through the drug experience It s the remarkable story of how America got high the epic tale of how the American Century transformed into the Great Stoned Age Martin Torgoff begins with the avant garde worlds of bebop jazz and the emerging Beat writers who embraced the consciousness altering properties of marijuana and other underground drugs These musicians and writers midwived the age of marijuana in the 1960s even as Timothy Leary and Richard Alpert later Ram Dass discovered the power of LSD ushering in the psychedelic era While President John Kennedy proclaimed a New Frontier and NASA journeyed to the moon millions of young Americans began discovering their own new frontiers on a voyage to inner space What had been the province of a fringe avant garde only a decade earlier became a mass movement that affected and altered mainstream America And so America sped through the century dropping acid and eating magic mushrooms at home shooting heroin and ingesting amphetamines in Vietnam snorting cocaine in the disco era smoking crack cocaine in the devastated inner cities of the 1980s discovering MDMA Ecstasy in the rave culture of the 1990s Can t Find My Way Home tells this extraordinary story by weaving together first person accounts and historical background into a narrative vast in scope yet rich in intimate detail Among those who describe their experiments with consciousness are Allen Ginsberg Timothy Leary Robert Stone Wavy Gravy Grace Slick Oliver Stone Peter Coyote David Crosby and many others from Haight Ashbury to Studio 54 to housing projects and rave warehouses But Can t Find My Way Home does not neglect the recovery movement the war on drugs and the ongoing debate over drug policy And even as Martin Torgoff tells the story of his own addiction and recovery he neither romanticizes nor demonizes drugs If he finds them less dangerous

than the moral crusaders say they are he also finds them less benign than advocates insist Illegal drugs changed the cultural landscape of America and they continue to shape our country with enormous consequences This ambitious fascinating book is the story of how that happened     The New Earth Catalog: Living Here and Now Gnu Publishing,1973     Catalog of Copyright Entries.
