Berrigan in historical context as one of the most influential poets of his generation His poems deft light definitely humorous irreverent poignant marvelous and tough The truth doing its work the great man doing the ordinary thing with a quick ear and a quick tongue revealing the personal in the universal He gives you his full attention about to be born again thinking of you Joanne Kyger In a life devoted to experimental art Ted Berrigan shaped his poetry and the space he occupied with a bold artistry based on his playful but powerfully skeptical view of the world He wondered what might actually be captured within the pages of a book but *The Collected Poems* allows us to again enjoy Ted Berrigan's delightfully demanding presence Lorenzo Thomas A singular balance of personal historical vision and sentiment both sweet and sour developed within the fractured verbalism of the late twentieth century found lyric creates in Ted Berrigan's poems the unique colors of a particularly lived and still intensely living ensemble of moments Tom Clark author of *Late Returns: A Memoir of Ted Berrigan* Some people are just more real than others I don't know another way to say it Ted Berrigan is totally real and he has fashioned an important sound for all of us to listen to He put it all together just before everyone else in his time our time got going America is lucky to count him as one of its great poets Peter Gizzi *When Soul Appears* Al McGee, 2022-03-02 After a painful confrontation with a Senior Pastor his associate the Rev Al McGee dealt with it by exclaiming the unsayable I don't believe And thus began a wrestling match with the Divine Al was struggling with God Arguing with God Contending with God And found that instead of a lightning strike he was given the grace of deeper understanding Like the Old Testament character Jacob who wrestled all night with God to wake up with a new identity Al too entered a realm of greater possibilities By having it out with God he realized God more deeply He experienced a felt shift into a surprising inner cohesion of body mind and soul For Al the protest the raised fist against heaven was the catalyst for what he calls the appearance of soul Marked by depth variety and a wealth of voices *When Soul Appears* will challenge readers to look at their beliefs and to ponder whether these are inspiring or restricting [The Cambridge Paperback Guide to Literature in English](#) Ian Ousby, 1996-02-23 Derived from the parent *Guide to Literature in English* this volume offers in concise form over 4 000 entries on literature in English from cultures throughout the world Writers and major works from the UK and the USA are represented as are those from Canada the Caribbean Australia India and Africa The coverage is broad from the classics of English literature to the best of modern writing Additionally the Guide has a wealth of entries on literary movements groups or schools in literature and criticism literary magazines genres and sub genres critical concepts and rhetorical terms **A Bibliography of Modern Arthuriana (1500-2000)** Ann F.
