Forging in the Smithy International Association for the Study of Anglo-Irish Literature. International Congress, 1995 The interest of Anglo Irish literature is not only that its canon includes a high proportion of literary giants Yeats Joyce Beckett but also that it exemplifies the problematics of literature in a context of social and cultural tension Irish literary history has often been studied under precisely that aspect as the literature of a country in a marginal colonial yet intra European position a country where a variety of cultural traditions Gaelic Anglo Irish Ulster Presbyterian have coexisted in an uneasy relationship a country with intense social and economic divisions These infrastructural tensions are not mere background or part of the context but have been explicitly thematized in a substantial part of Ireland s literary output so that an Irish author who does not address the matter of Ireland stands out as an anomaly an exception to the general patterns Therefore the historical context of much Anglo Irish scholarship is hardly surprising Forging the Smithy National Identity and Representation in Anglo Irish Literary History addresses three interrelated areas of interest language territory and politics the role of historical consciousness in Irish authors and in their dissemination and the
