The Concordia Pulpit for 1975 Concordia Publishing House, *The Art of Exegesis* Matthew E. Borrasso, 2019-02-27 Although he loomed large during his lifetime Martin Hans Franzmann has faded away in the minds of American Lutherans Memories of him typically orbit around an appreciation for his hymnody He was however more than a hymn writer To only understand or appreciate his hymns is to only understand or appreciate a part of him This book seeks to shine a light on a brilliant and gifted poet of the church by unpacking and analyzing his life and work In so doing it is hoped that he will loom large once again Franzmann s hymns have endured for a reason namely because he was singularly focused on teaching people to hear the voice of God in the text of the Scriptures **The Publishers' Trade List Annual**, 1985 Literature as Pulpit Randi R. Warne, 2006-01-01 Nellie L McClung 1873 1951 was an internationally celebrated feminist and social activist whose success as a platform speaker was legendary Her earliest notoriety was achieved as a writer and during her lengthy career she authored four novels two novellas three collections of short stories a two volume autobiography and various collections of speeches articles and wartime writing to a total of sixteen volumes All this served as a pulpit from which McClung could preach her gospel of feminist activism and social transformation She was convinced that God s intention for Creation was a Fair Deal for everyone and that Canada particularly the prairie West was a perfect place to begin to bring that about Woman suffrage temperance and the ordination of women were keystones in the battle engaged in contrast to contemporary stereotypes with a wit and compelling humour that won over enemies as it delighted her allies Literature as Pulpit explores Nellie McClung s vision of a better world and the impediments to it as expressed through her novels and her feminist tract *In Times Like These* It addresses the profoundly anti feminist context within which McClung was forced to make her arguments and notes her indebtedness to other feminist writers and thinkers of her day Throughout McClung s religion of active care emerges as a consistent and harmonizing theme which integrates her feminism and social activism into a single empowering vision for social change Lectionary Preaching Workbook John R. Brokhoff, 1993 *Getting the Church On Target* Lloyd Perry, 1981-05-26 Tools and advice for assessing your church These are dangerous days for the organized church It is time to be alert to what is taking place and make some changes So writes Lloyd Perry in his introduction to *Getting the Church on Target* Dr Perry then goes on to outline ways the local church can be revitalized His concerns are reflected in chapter titles such as *Having God s Man in God s Place for Ministry* *Clarifying Purposes Goals and Objectives* *Systematizing Church Management* *Training for Leadership* *Mobilizing the Laity* *Managing Conflict Creatively* *Establishing Small Groups for Ministry* *Expanding the Outreach of the Church* *Updating Our Worship* The final chapter includes five sample self evaluation surveys to help a church assess its problems and progress **Pulpit and Politics** Corwin E. Smidt, 2004 *Pulpit and Politics* presents the most current and comprehensive examination of the religious beliefs and political behavior of American clergy at the advent of the new millennium Based on data gathered during the 2000

Tobin,2017-07-06 The ongoing debates on the morality of artificial birth control sparked a heated public debate in the early twentieth century in an already religiously fragmented United States Many denominations took part in the deliberations both publicly and privately In examining the ideas about contraception and birth control at that time this book considers the cultural environment religion and its connection to the roots of birth control the questioning of religious doctrine the Protestants view of birth control the Lambeth conferences of 1930 the influence of conservatives and the influence of Catholics Also discussed is the historical context of fundamentalists versus modernists neo Malthusianism eugenics immigration the movement for legalization organized by Margaret Sanger and how the Catholic Church came to lead religious resistance to artificial birth control **Religious Books and Serials in Print, 1980-1981** ,1980 Psychology & Christianity Integration Daryl H. Stevenson,Brian E. Eck,Peter C. Hill,2007 *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort *A Thematic Access Oriented Bibliography of Jesus s Resurrection* addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease Religious Books, 1876-1982 ,1983 **Outstanding Young Men of America** ,1980 **The Christian and the Old Testament** Walter C. Lawson, 2003-07-01 Steven Lawson understands how important it is to feed God's people from His Word He is concerned that what started as a genuine attempt to attract a broader hearing by moving away from Scripture has grown into a crisis in the church He is convinced that we must return to expository preaching the man of God opening the Word of God and expounding its truths so that the voice of God may be heard the glory of God seen and the will of God obeyed Lawson calls the church back to Scripture to restore its commitment to let God's own words speak **Yachting** ,1984-04
