

The Confederette

Gary W. Gallagher

The Confederette:

The Confederate Nation: 1861-1865 Emory M. Thomas, 2011-02-01 Incisive and insightful As good a short history of the Southern war effort as we have T Harry Williams Pulitzer Prize winning author of Lincoln and His Generals Emory M Thomas s critically acclaimed chronicle of the Confederacy remains widely recognized as the standard history of the South during the Civil War Now with a new introduction by the author The Confederate Nation presents a highly readable highly personal portrait of the Southern experience during these years Thomas renowned for his illuminating biographies of Robert E Lee and other Southern generals here delivers the definitive account of the political and military events that shook the nation during its period of greatest turmoil The Confederate Nation has yet to be superseded as the standard title on the subject Journal of Southern History A serious scholarly readable work C Vann Woodward The New Republic One of America s most eminent Civil War historians Richmond Times Dispatch

A Short History of the Confederate States of America

Jefferson Davis, Dr William Peters, 2014-08-11 This book is about the real history of America and the causes of Lincoln s War against the Confederacy President Davis delves into the forgotten history of these United States contrasting the limited federal republic of sovereign States with what Yankee New England sought to turn these United States of 1783 into a consolidated government under their rule the United States we know today He further goes into the reasons for secession its lawfulness the foundation of the Confederate States of America and Lincoln s war of conquest against American States not only Confederate but Northern as well This is a history that should be read by every American bewildered by the Federal government running roughshod over American liberties *Look Away!* William C. Davis, 2002-04-12 William C Davis one of America s best Civil War historians here offers a definitive portrait of the Confederacy unlike any that has come before Drawing on decades of writing and research among an unprecedented number of archives *Look Away* tells the story of the Confederate States of America not simply as a military saga although it is that but rather as a full portrait of a society and incipient nation The first history of the Confederacy in decades the culmination of a great scholar s career *Look Away* combines politics economics and social history to set a new standard for its subject Previous histories have focused on familiar commanders such as Robert E Lee and Stonewall Jackson but Davis s canvas is much broader From firebrand politicians like Robert Barnwell Rhett and William L Yancey who pushed for secession long before the public supported it to Dr Samuel Cartwright who persuaded many Southerners of the natural inferiority of their slaves to the women of Richmond who rioted over bread shortages in 1863 Davis presents a rich new face of the Confederate nation He recounts familiar stories of battles won and lost but also little known economic stories of a desperate government that socialized the salt industry home front stories of the rangers and marauders who preyed on their fellow Confederates and an account of the steady breakdown of law culminating in near anarchy in some states Never has the Confederacy been so vividly brought to life as a full society riven with political and economic conflicts beneath its more loudly publicized military battles Davis s

astonishingly thorough primary research has ranged across the 800 odd newspapers that were in operation during the war but also across the personal papers of over a hundred Southern leaders and ordinary citizens He quotes from letters and diaries throughout the narrative revealing the Confederacy through the words of the Confederates themselves Like any society especially in the early stages of nation building and the devastating stages of warfare the Confederacy was not one thing but many things to many people One thing however was shared by all the belief that the South offered a necessary evolution of American democracy Look Away offers a dramatic and definitive account of one of America s most searing episodes

The History of the Confederate War, Its Causes and Its Conduct. Volume 1 of 2 George Eggleston, 2017-05-16

The Rise and Fall of the Confederate Government Jefferson Davis, 1912 *The Confederate War* Gary W. Gallagher, 1999-03-15 Gallagher argues that we should not ask why the Confederacy collapsed so soon but rather how it lasted so long He examines the Confederate experience through the actions and words of the people who lived it to show how the home front responded to the war endured its hardships and assembled armies that fought with great spirit and determination

The Confederate Secession William Schomberg Robert Kerr Marquess of Lothian, 1864 *The Confederate Nation* Emory M. Thomas, 2011-03-15 Definitive and unsurpassed The Confederate Nation is the renowned history of the Confederacy by Emory M Thomas one of America s most eminent Civil War historians Richmond Times Dispatch Thomas s masterful account delivers a clear analysis of the origins of secession a gripping narrative of the military campaigns that shaped the Civil War and a compelling portrait of the Southern people during the country s most turbulent era Now featuring a new introduction by the author The Confederate Nation is the quintessential exploration of the American South in the Civil War years

The Campaigns of the Confederate Army Augustus Longstreet Hull, 1901

The Confederate and Neo-Confederate Reader James W. Loewen, Edward H. Sebesta, 2011-01-05 Most Americans hold basic misconceptions about the Confederacy the Civil War and the actions of subsequent neo Confederates For example two thirds of Americans including most history teachers think the Confederate States seceded for states rights This error persists because most have never read the key documents about the Confederacy These documents have always been there When South Carolina seceded it published Declaration of the Immediate Causes Which Induce and Justify the Secession of South Carolina from the Federal Union The document actually opposes states rights Its authors argue that Northern states were ignoring the rights of slave owners as identified by Congress and in the Constitution Similarly Mississippi s Declaration of the Immediate Causes says Our position is thoroughly identified with the institution of slavery the greatest material interest of the world Later documents in this collection show how neo Confederates obfuscated this truth starting around 1890 The evidence also points to the centrality of race in neo Confederate thought even today and to the continuing importance of neo Confederate ideas in American political life The 150th anniversary of secession and civil war provides a moment for all Americans to read these documents properly set in context by award winning sociologist and historian James W Loewen and

coeditor Edward H. Sebesta to put in perspective the mythology of the Old South

A Short History of the Confederate States of America Jefferson Davis, 2022-04-18 One of the most interesting and historical documents to emerge from the American Civil War this account of that mighty and historical conflict was penned by none other than the leader of the Confederate States of America Written in the first person this work tells not only of the major events of the war as experienced by the president of one of the warring sides but also spells out the background as seen by the South of the origins of the conflict Along the way it addresses the constitutional issues which lay at the heart of the war slavery states rights and the usurpation of the U S Constitution Jefferson proves beyond question that the Confederacy was in fact adhering to the letter of the law of the U S Constitution Most of the book however concentrates on the events which raged from 1861 to 1865 and the desperate attempts by the South to prepare for war against a far superior North This new edition has been completely reset and contains hundreds of new footnotes to explain events personalities and issues to the present day reader Illustrated

The Confederate Battle Flag John M. Coski, 2006-04-30 Pursuing the flag's conflicting meanings Coski suggests how this provocative artifact which has been viewed with pride fear anger nostalgia and disgust might ultimately provide Americans with the common ground of a shared and complex history

The Confederate Reader Richard Barksdale Harwell, 1989-01-01 This wonderful self portrait of the Confederacy is filled with carefully chosen and annotated selection of contemporary battle reports general orders letters articles sermons songs travel observations and much more Illustrated an excellent anthology worthy of the imitations it will engender The New York Times

The Confederate Heartland Bradley R. Clampitt, 2011-12-12 Bradley R. Clampitt's *The Confederate Heartland* examines morale in the Civil War's western theater the region that witnessed the most consistent Union success and Confederate failure and the battleground where many historians contend that the war was won and lost Clampitt's western focus provides a glimpse into the hearts and minds of Confederates who routinely witnessed the defeat of their primary defenders the Army of Tennessee This book tracks morale through highs and lows related to events on and off the battlefield and addresses the lingering questions of when and why western Confederates recognized and admitted defeat Clampitt digs beneath the surface to illustrate the intimate connections between battlefield and home front and demonstrates a persistent dedication to southern independence among residents of the Confederate heartland until that spirit was broken on the battlefields of Middle Tennessee in late 1864 The western Confederates examined in this study possessed a strong sense of collective identity that endured long past the point when defeat on the battlefield was all but certain Ultimately by authoring a sweeping vision of the Confederate heartland and by addressing questions related to morale nationalism and Confederate identity within a western context Clampitt helps to fashion a more balanced historical landscape for Civil War studies

The Rise And Fall Of The Confederate Government Jefferson Davis, 1990-08-22 A decade after his release from federal prison the 67 year old Jefferson Davis ex president of the Confederacy the Southern Lincoln popularly regarded as a martyr to the Confederate cause began work on his monumental

Rise and Fall of the Confederate Government Motivated partially by his deep rooted antagonism toward his enemies both the Northern victors and his Southern detractors partially by his continuing obsession with the cause and partially by his desperate pecuniary and physical condition Davis devoted three years and extensive research to the writing of what he termed an historical sketch of the events which preceded and attended the struggle of the Southern states to maintain their existence and their rights as sovereign communities The result was a perceptive two volume chronicle covering the birth life and death of the Confederacy from the Missouri Compromise in 1820 through the tumultuous events of the Civil War to the readmission of the Southern states to the U S Congress in the late 1860s Supplemented with a new historical foreword by the Pulitzer Prize winning James M McPherson The Rise and Fall of the Confederate Government Volume I belongs in the library of anyone interested in the root causes the personalities and the events of America s greatest war

The Confederate Flag Anne Cunningham,2017-12-15 Is it a symbol of pride in one s heritage or an ugly reminder of slavery and the fruits of racism The issue of whether the Confederate flag belongs in front of government buildings or even on Southern pride paraphernalia has been a hot button for more than a century long after the Civil War was fought and won This book takes a close look at the flag s origins its controversial history what meaning it has for Americans living today and the ongoing debate on its use and display

The Confederate Homefront Wallace Hettle,2017-05-08 The study of Confederate troops generals and politicians during the Civil War often overshadows the history of noncombatants slave and free male and female rich and poor threatening obscurity for important voices of the period Although civilians comprised the vast majority of those affected by the conflict even the number of civilian casualties over the course of the Civil War remains unknown Wallace Hettle s The Confederate Homefront provides a sample of the enormous documentary record on the domestic population of the Confederate states offering a glimpse of what it was like to live through a brutal war fought almost entirely on southern soil The Confederate Homefront collects excerpts from slave narratives poems diaries and journals along with brief introductions that examine the circumstances and biases of each source Bearing witness to the lives of marginalized groups narratives by women navigating complex webs of loyalties and former slaves resisting and escaping the Confederacy feature prominently Hettle also focuses on lesser known aspects of the war such as conscription draft evasion and the development of Union military policies that helped bring about the demise of slavery Reflecting recent work by Civil War historians Hettle includes numerous documents that focus on the role of Christianity in justifying the Confederacy s increasingly destructive moral and ideological position in the war He also examines the guerrilla war on the southern homefront and the plight of black and white refugees adding new insights into the destructive impact of warfare on the lives of civilians The first documentary history to foreground the experiences of Confederate civilians he Confederate Homefront illuminates the overlooked lives of noncombatants in the Civil War and bears witness to the traumatic final years of the institution of American slavery

Two Months in the Confederate States William Carson Corsan,English merchant,1996 Corsan

visited the Confederacy in the fall of 1862 to judge the impact of the American Civil War on his business's future prospects. In a clear, lively and at times humorous style, Corsan details his experiences which include nearly being drafted into the Rebel army. He also records southerners' attitudes toward the war.

The Rise and Fall of the Confederate Government - Scholar's Choice Edition Jefferson Davis, Louis Freidenberg, 2015-02-13. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity, individual or corporate, has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

Life in the Confederate Army William Watson, 2023-12-26. In *Life in the Confederate Army*, William Watson meticulously chronicles the experiences of soldiers during the American Civil War, focusing on the Southern perspective. Written in a compelling narrative style that seamlessly blends personal anecdotes, historical accounts, and vivid descriptions, the book provides a rare glimpse into the daily routines, struggles, and camaraderie of Confederate troops. Watson's work is deeply rooted in the historical context of the Civil War, illuminating the complexities of war, society, and identity in the Southern states. His attention to both the emotional and psychological landscapes of the soldiers enriches our understanding of this tumultuous period in American history. William Watson, a historian and Civil War enthusiast, draws from a wealth of primary sources, including letters, journals, and official documents, that reflect the soldiers' realities. His background in military history and intimate knowledge of the Confederate narrative allow him to present a balanced account that acknowledges the valor and humanity of those who fought, while also examining the broader implications of their actions. Watson's dedication to capturing the nuances of this historical moment showcases not only his academic rigor but also his passion for storytelling. *Life in the Confederate Army* is a must-read for anyone interested in understanding the human side of the Civil War. Watson's vivid portrayals and insightful analyses offer both scholars and general readers unique access to the lives of Confederate soldiers, making this work an essential addition to the literature on American history and military studies.

The Top Books of the Year The Confederette The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Confederette : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
