The Conspirators Hierarchy The Committee Of Three Hundred:

Conspirators' Hierarchy John Coleman,1992 Can you imagine an all powerful group that knows no national boundaries above the laws of all countries one that controls every aspect of politics religion commerce and industry banking insurance mining the drug trade the petroleum industry a group answerable to no one but its members To the vast majority of us such a group would appear to be beyond the realms of possibilities and capabilities of any given organization If that is what you believe then you are in the majority The conception of a secret elite group exercising control of every aspect of our lives is beyond our comprehension Americans are prone to say It can t happen here our Constitution forbids it That there is such a body called The committee of 300 is graphically told in this book When most people attempt to address our problems they speak or write about they this book tells precisely who they are and what They have planned for our future how they have been at war with the American nation for 50 years a war which we are on the brink of losing what methods They use and exactly how they have brainwashed us If you are Puzzled and perplexed as to why things are occurring that we as a nation don t like yet seem powerless to prevent why it is that the United States always seems to back the wrong horse Why the united states is in a depression from which it will not emerge why our former social and moral values have been turned aside and seemingly buried if you are confused by the many conspiracy theories the conSPirators hierarchy the committee of 300 will clearly establish that these conditions have been deliberately created to bring us to our knees Once you have read the applying truths contained in this book understanding past and present political economic social and religious events will no longer be a problem This powerful account of the forces ranged against the United States and indeed the entire free world cannot be ignored

Conspirators' Hierarchy John Coleman,1992 **The Conspirators' Hierarchy** John Coleman,1992-08 **Conspirators' Hierarchy** John Coleman,1997 **Government Secrets and Cover-ups** John P. Hunter III,2014-07-30 GOVERNMENT COVER UPS Why on earth would I dare write a shocking book as this one The simplest explanations people ALL over the world are na ve and ignorant to what conspires within their own government or of religion for that matter These two words dominate people s thoughts everywhere What it boils down to is the nature of the human race believes that what they do not know will not hurt them I have to disagree with this philosophy because it can hurt you and even kill you This is what MOST governments rely on for people to disbelieve what is the real truth Lies are more profitable and who will believe the truth anyway The truth seems to come out of a science fiction novel Propaganda rules because the public refuses to believe that this is not the ninetieth or twentieth century anymore There are new inventions of warfare that most have never heard of A large amount of ground troops and bombings are becoming obsolete because of laser cannons robots and the High Frequency Active Auroral Research Program HAARP project What better ways to exterminate the over population then blame it on the weather so the government gets away with legalized MURDER WHY is it so hard to understand or believe when in reality people believe in sasquatches Big Foot Yeti abdominal snowman UFO s

ghost or even living zombies because of panic but they deny government conspiracies More advanced countries in technology consider Oriental Countries as being expendable to be used as human guinea pigs Everybody just witnessed this from the typhoon Yolanda in the Philippines November 8 2013 before that an Indonesia earthquake followed by a large tidal wave and then a Japan catastrophe WAKE UP before you become the casualty or of your own family It is getting worse every day It is getting worse every year most do not care or are oblivious to the facts so get educated to reality *Money for Power* John P. Hunter III,2014-07-27 MONEY It is understandable that we all need money for survival purposes This is fine and dandy is acceptable in society but to purposely defraud other people to get possession of money is unacceptable no matter of any circumstance Politicians seem to hoard onto this conception that money is their GOD The more they possess the more they have power to control Politicians drug cartels gangs and let us not forget religion are aware of this fact The richer you are in society the better people will follow you supposedly The Elite in all societies of the world are equally guilty of this crime called murder on the unsuspecting citizens by depriving these citizens of certain FREEDOMS or plainly swindling them out of their hard earned money not included are the lazy incompetent people who devour the Welfare System dry not even trying to better themselves Murder is hidden by the non compliance of doing the right thing as it happens for prevention as well as protection This is where this book illustrates certain areas in our American past which contribute to the beginning of corruption Corruption is a way of dishonest living in order to remain on top or even to gain the top position Political separation of parties are a way of distracting the public's focus of what all politicians are involved in un constitutional biased prejudice and let us begin the Olympic Blame Game of each party is guilty but not me when in reality all are involved in a False Flag cover up of camouflaged deception to gain more wealth even if it includes a mass murder You will be amazed about certain people involved in this book which seemed honest but in reality are very wicked indeed This book is the sequel to AMERICA The Sleeping Giants MUST Awake which explains into depth Barack Hussein Obama the creator of Obamanism and of his cronies at large Maggie's Hammer Geoffrey Gilson,2015-08-28 The Conspirator's Hierarchy John Coleman,2024-11-24 Certainly many of us are aware that the people who run our government are not the people who really control political and economic issues domestic and foreign This has led many of us to seek the truth in the alternative press those newsletter writers who like me have investigated but not always found the reasons why the United States is so seriously ill The injunction seek and you shall find has not always been the case with this group What we have found is that people mostly live in a kind of obscure fog not bothering to find out where their country is going firmly convinced that it will always be there for them This is how the largest group of the population has been manipulated to react and their attitude plays right into the hands of the secret government We often hear that they are doing this that or the other thing They literally seem to be able to get away with murder They are raising taxes sending our sons and daughters to die in wars that don't benefit our country They seem beyond our reach out of sight frustrating and nebulous when it would be appropriate to

take action against them No one seems able to clearly identify who they are It s a situation that has persisted for decades In the course of this book we will identify these mysterious they and then it will be up to the people to remedy the situation On April 30 1981 I wrote a monograph revealing the existence of the Club of Rome identifying it as a subversive organization of the Committee of 300 This site was the first mention of these two organizations in the United States I warned readers not to be fooled into thinking that the article was far fetched and drew a parallel between my article and the warning issued by the Bavarian government when the secret plans of the Illuminati fell into its hands More on the Club of Rome and the role of the Committee of 300 in American affairs later Many of the predictions made in that 1981 article have since come true such as the unknown Felipe Gonzalez becoming Prime Minister of Spain and Mitterrand returning to power in France the fall of Giscard d Estang and Helmut Schmidt the return to power of Swedish nobleman and Committee of 300 member Olof Palme who has since been mysteriously murdered the reversal of Reagan s presidency and the destruction of our steel car and housing industries under the Committee of 300 s goal of post industrial zero growth [The Atlantean Conspiracy \(Final Edition\)](#) Eric Dubay,2013-11-24 The Atlantean Conspiracy Final Edition is the ultimate encyclopedia exposing the global conspiracy from Atlantis to Zion Discover how world royalty through the Vatican and secret societies control literally every facet of our lives from behind the scenes and have done so for thousands of years Topics covered include Presidential Bloodlines The New World Order Big Brother FEMA Concentration Camps Secret Societies The Zionist Jew World Order False Flags The Hegelian Dialectic The Lusitania WWI Pearl Harbor WWII Operation Northwoods The Gulf of Tonkin The Vietnam War The Oklahoma City Bombing The 9 11 Inside Job Media Manipulation The Health Conspiracy Fluoride Vaccines Engineered AIDS The Meat Dairy Myth The Cure for Everything Masonic Symbolology Numerology Time Manipulation The Christian Conspiracy Astrotheology Magic Mushrooms Atlantis Kundalini Enlightenment Geocentric Cosmology The NASA Moon and Mars Landing Hoaxes Aliens Controlled Opposition and much more **The God Solution** Ian Stott,2013-07-23 Ian Stott was born in Moseley Birmingham in 1946 and became a travelling evangelist in 1986 with his Gospel band After the Fall performing in prisons remand homes pubs clubs church halls carnivals fetes festivals handicapped homes and colleges all around the United Kingdom After writing Touching Glory as the title song for the 1994 Cross Rhythms Festival in Devon Ian and the band received a record distribution deal with Kingsway Music He wrote the songs for two more albums and the band continued its evangelistic work for eleven years Ian has studied Bible Prophecy for thirty years and is now a full time musician working as a tribute act in the UK and worldwide He has had songs and poems published during this period After the Fall the band played their last show in 1997 on stage at Dudley Castle Birmingham live on Sky TV Ian Stott is a layman representing every man and brings a refreshing perspective to apologetics with a dash of humour He has a desire to reach people who know nothing about the Bible or what it contains This book is a direct reply to militant atheism and The God Delusion by Richard Dawkins Atheism is growing and making much noise and needs a Christian answer The author brings
